EDITORIAL

Well, here we are at the very height of the holiday season, and it could well be that a lot of readers find themselves with time to spare. If this is the case, a trip up to London's West End (including wicked Soho!) could prove very entertaining, as there are several excellent blue films showing. In our opinion, the following are way and ahead the best in terms of sexual explicitness:

1. CONFESSIONS FROM THE DAVID GALAXY AFFAIR This is a really superb sex movie, which must rank as the first film of a highly erotic nature EVER to include the names of top stars. Incredibly funny, as well as explicit. Showing NOW at the Eros Cinema, Piccadilly Circus, London W.1.
2. QUEEN OF THE BLUES/MASSAGE GIRLS OF BANGKOK A truly superb double bill, starring Mary Millington, Rosemarie England, Faith Fonteyn, plus a host of Oriental beauties – in two films for the price of one! Showing NOW at the Centa Cinema, nr. Piccadilly Circus, London. W.1.
3. COME PLAY WITH ME/EMANUELLE MEETS THE WIFE SWAPPERS. The Mousetrap of the sex business! Now in its 3rd glorious year, and still showing 7 days a week, from 11.00am daily (late show 11.00pm) at the Moulin Cinema, Gt. Windmill St. Soho.
4. THE PLAYBIRDS. Another exotic Mary Millington film, combining humour, thrills AND action of a most explicit variety. Although it has left the West End for the summer, it is on a selective release throughout the U.K. (see special announcement on this page.'The Playbirds will be returning to Soho in November.

These are four super-strong films you should go out of your way to see, but if TOTAL HARDCORE PORNOGRAPHY is more to your liking, there are 3 excellent 'specialist' cinemas in the Soho area. These are:

EXCITING CINEMA CLUB, 18 Greek St, Soho. The best blue film club in Town, showing new films every week. Membership is just £1, admission £3.25

CIN CINEMA, 32 Old Compton St. Soho. The best value for money in the U.K. with shows from only 50p!

SWEDISH PARADISE, 24 Brewer St. Soho. Shows only top quality Scandinavian porno. Also renowned as being the most luxuriously decorated club in Soho!

Well, those are the details. Our only concern is that, like so many strangers to Soho, you don't get well and truly ripped-off. Soho is full of spivs who will only too gladly take you for your money – so be warned!

Finally, a word about a new sex magazine, with a difference! It's called ROMP (price £1) and it's a uniquely conceived product, specialising in BEAUTIFUL girls in BEAUTIFULLY erotic sex positions. It really is one of a kind, and without doubt verges on 'hardcore' in strength. It's in most newsagents now, but in case of difficulty send £1.25 (includes carriage) to: ROMP, 34 Upton Lane, London E.7. (subscriptions £12)

COVER GIRL: This month's gorgeous cover girl also appears (in full intimate detail) in the latest issue of INTERNATIONAL COVER MODELS, the magazine for the sexually discerning male. It's in most newsagents NOW, price £1, or via mail order at £1.25 (includes carriage) from : INTERNATIONAL COVER MODELS, 34 Upton Lane, London E.7. (subscriptions £12)

ORGY CLUB

Introduction: Max Smith owns a nightclub in Frankfurt. Every couple of weeks or so he invites all his friends there for a party, a party that always turns into an orgy. I was invited there once, and this is what went on...

I'd known Max for a couple of years, and when he invited me to attend one of his parties, I jumped at the chance. He told me not to bother to bring a girl along as he would supply that sort of thing.

When I got there the club was crowded, there must have been over a hundred people there, and more than sixty of them were women.

Max came up to me and said that he had fitted all the dressing rooms out with mattresses so that there would be plenty of places to get down to some real hard screwing. He then handed me a drink and told me to enjoy myself, and he added that all the girls there were professional porn models, and had been told to keep all the men happy.

I sipped my drink and looked round. All the girls were very good-looking, and one of them, a redhead, was standing on the small stage doing a striptease.

I wandered over to the front of the stage and watched her, and she was well worth watching. She was wearing a long blue evening dress, and this she very slowly removed to reveal the fact that she was wearing a small black bra and a pair of red pants. That bra of hers was so small that her huge breasts were spilling out of it, and I could see her erect pink nipples peeping out over the black lace cups.

She reached behind herself and unclipped the bra then she threw it away, and I nodded in appreciation at the sight of her tits. They were large and firm and jutted proudly from her body, and those pink nipples of hers were now fully erect and throbbing away like mad.

I took another sip of my drink and looked around again. There were three or four naked people screwing away in one corner, two women were kissing each other, another woman was wanking herself off with a candle – yes, it looked as if the orgy was starting to get underway.

I looked back at the stage. The red-haired woman had now peeled off her panties and was doing a little dance. Her naked body twisted and writhed about and every now and then she would turn her back and show us the fantastic lines of her bum.

Then she sat down on the edge of the stage with her legs dangling over it and parted the lips of her quim with her fingers. She pulled those cunt lips as wide open as they would possibly go, and she looked very nice inside there.

Her juices were bubbling away like mad all over her fleshy pink skin and her little clit was standing up to attention. The woman then plunged three fingers deep into her pussy hole and wanked herself off. I looked round and saw that I was the only person with any clothes on. Everyone else was naked and having a great time.

I always start an orgy the same way, by finding two good-looking girls to suck me off and swallow down my sperm. I saw no reason to change this habit. So I took my clothes off and went backstage to see what I could find.

I found what I was looking for right away. In the star dressing room a huge mattress had been spread over the floor, and stretched out on that mattress, kissing and cuddling, were two girls that I had seen before.

They were Rose and Mary, two girls who were porn models. I'd seen them in a film a few days earlier, and Max had introduced me to them when I got to the party. I stood just inside the door and watched them for a little while. Rose had long black hair and a smooth white skin. Her tits were large and firm and tipped with coral coloured nipples. Mary had long blonde hair, a small pair of really pert tits, and a great thick bush of hair between her legs.

Mary started to suck at Rose's breasts and nipples, and a great stream of pussy juice spouted out from Rose's cunt hole and she had an amazing orgasm. Then Mary moved slowly down the other girl's body and plunged her flickering tongue into that wide open juice-filled cunt.

Mary sucked and slurped away at Rose's pussy tube and swallowed down what seemed like pints and pints of thick creamy bubbling juices. Rose was shouting and sighing and having a great many very intense orgasms. The whole dressing room started to reek with the heady musky scent of juice.

Then they both looked up and saw me, and they smiled. Rose looked at my prick sticking out like a bargepole in front of my body and she sighed and patted the mattress.

"I want you to suck me off," I said, as I flopped down.

"That's just fine with us," said Mary.

"Yes," agreed Rose, "I haven't had a mouthful of sperm for at least two days."

I stretched out and those two lovely naked women went to work. Rose placed her head next to my balls and opened her wide mouth. Out came her tongue and she started to lick and suck at my tight balls for all she was worth and very soon they were covered with her warm sticky saliva.

Mary, meanwhile, had taken one look at my shaft and glans and had dived straight in. She took my shaft in her right hand, peeled my foreskin back all the way, and then she took my swollen knob between her soft lips and started to suck on it just as hard as she could.

It was one of the best experiences of my life. Two women sucking on my cock at

"DECIDING THAT A GROUP SEX SCENE WOULD BE NICE I GATHERED TOGETHER A FEW PEOPLE ..."

the same time was something that I had always dreamed about.

Rose had now taken both my balls into her mouth and was slurping away like mad, and Mary was doing everything she could to my glans. My prick got bigger and bigger and my balls tighter and tighter.

Then Rose stopped sucking at my balls, she moved up and both Mary and she just used the tip of their tongues to lick and suck at my swollen glans.

I came in a great big spurting shower of sperm, and it hurtled up from my cock and splashed over both their faces. They both had orgasms as my hot sperm dripped and ran all over their faces.

Then Rose bent over and used her tongue to lick all the sperm from Mary's face, and then Mary did the same thing to Rose, and then they both swallowed the thick white stuff down.

That was a very nice way to start the orgy off, and I had a little rest and then went back to the main club room to see what was going on.

Everything seemed to be going on. There were two naked girls dancing on the stage and their tits were bouncing about all over the place. They were professional go-go dancers, and they really did know how to swing their tits to get the best effect.

Max had also hired another couple of strippers and they were performing on two of the tables. He had also hired an act from a sex club in Holland, and they were one one side of the stage. There was a crowd standing there so I pushed through it to see what was going on.

The act was a girl of about twenty and a man who had the biggest cock that I'd ever seen in my life. That prick of his must have been over one foot long and as thick as my wrist.

He was plunging it in and out of the girl's pussy hole just as fast as he could, and I could see that the walls of the girl's cunt hole were really bulging out in order to take in that huge shaft.

When the man came he pulled his cock out and showered his sperm all over her tits and nipples, and she screamed with joy and had an orgasm.

I wandered over to the bar and took a drink from the naked barmaid, then I had another look round. The club room was huge, really huge, and although there were over a hundred people there, there was still room to spare.

I decided that a group sex scene would be nice, so I gathered a few people together and we went into one of the larger dressing rooms.

It is difficult to explain exactly what happened in that sex scene, there were so many people doing so many things to everyone else that it is a problem to know where to start, but I'll do my best.

A girl stretched out on the floor, another girl started to suck her quim, the first girl started to suck her own tits and nipples, and a man started to screw the second girl from behind, then more people joined in, and so did I.

I had a quim in my face, a nice pair of tits rubbing against my bum, my cock was in a woman's cunt hole, my right hand in another woman's cunt hole, and my left hand in yet another woman's cunt. Then a man started to screw one of the birds next to me and her tits started to bang against my bum.

You see what I mean about trying to explain what was going on? There were so many bodies there, over two dozen I would guess, and they were all screwing like mad. In the end I came over a womans' face and another woman started to lick the sperm off, and yet another woman took my limp cock into her mouth and started to suck it, and all the time I was tongue fucking yet another woman. That scene went on for half an hour, and at the end of that time my whole body was covered in sticky pussy juice. I managed to crawl out from under the pile of naked bodies, and then a woman came up to me.

"Is that pussy juice all over your body?" she asked.

I nodded my head and said it was.

She smiled. "I just love the taste of pussy juice when it comes from a man's flesh," she said.

"Be my guest," I replied, and I stretched out on the floor again.

She started to lick all that cunt juice from my body and she did it in such a sexy way that very soon my cock was rock hard again, and she looked at it and asked me if I would like to fuck her.

I said that was a great idea, but I wanted to go somewhere private for the screw, so I took her by the hand and after a while I managed to find a small empty dressing room.

Round the walls of the dressing room were some very pornographic pictures and they really turned the girl on, they turned her on so much that she pushed three fingers into her pussy hole and started to wank herself off while she looked at them.

Her fingers delved in and out of her cunt and soon her creamy sticky pussy juices were running down the inside of her thighs and forming a small pool at her feet. She just had to be the juiciest woman that I had ever seen in my life.

She finger fucked herself to a massive climax and then she came over to where I was stretched out. She flopped down beside me, then she pushed her fingers back into her cunt hole, pulled out a great big dollop of her juice and then held her fingers up to my face.

I sucked the juice from her slim fingers and found that she tasted very nice indeed, so nice that I decided that I would like some more. So I dived down between her legs and pushed my flickering tongue into her cunt hole and sucked her out for a good twenty minutes, and in that time I must have swallowed down at least a pint of her creamy come, and at the same time given her about a dozen orgasms.

Then she started to lick my cock, she licked and sucked at my glans and balls, then she rolled over on her back, opened her legs very wide indeed, and then said that she was dying to feel my huge prick inside her tight cunt hole.

I got on top of her and I didn't waste any time at all. I just plunged my prick into that soaking wet pussy hole and fucked her just as hard and as fast as I could. She liked it, and she cried out with lust and passion and described to me what she was feeling as my cock went deep into her cunt hole. This is what she said: "It's massive," she cried out. "That knob of yours is filling me all the way up, you're almost splitting me in half, it's the most amazing fuck I've ever had."

I don't like women talking too much when I'm screwing them, so I kissed her on the mouth to

"SHE WAS PUSHING A THICK CANDLE IN AND OUT OF HER PUSSY AND SHOUTING WITH JOY..."

shut her up, and then I concentrated on pushing my hard throbbing prick ever deeper into her pussy hole. Every now and then the tip of my glans touched the innermost depths of her pussy tube and when that happened she had one hell of an orgasm.

Then she started to move her bum up and down just as fast as she could and applied pressure to my cock with the ribbed walls of her cunt hole.

My prick jerked deep inside her and then I filled her right the way up with a heavy shower of hot spunk. She screamed and sighed as she felt my sperm blast into her juicy quim tube, and she writhed about all over the place. Then she squeezed at my prick with her vaginal muscles to make sure she got every last drop, then she rocked her hips from side to side as another orgasm powered its way through her naked body.

I pulled my prick from her cunt and then rubbed it dry on her flat stomach. Then I moved further up her body and got her to suck at my limp cock.

She had another couple of orgasms and then she rolled over, closed her eyes, and went to sleep. I was quite pleased with that, it meant that my fucking had exhausted her, and you can't do that to many women these days, can you? It's usually the other way around.

I then hunted round for the bathroom, found one in the end dressing room, stepped over twenty writhing naked screwing bodies, and had a shower.

I went back to the bar in the main club room and had a sandwich and another drink, and I noticed that the naked barmaid was giving me the eye.

She smiled and said: "I've been serving drinks here all evening and I'm dying for a screw."

I looked down at my limp cock and said: "Well, I've come more times than I care to remember, but if you think you can get me hard then I'm willing to screw you."

She smiled again, then she came out from behind the bar and I saw that not only did she have really firm tits, but that she had also shaved off all her pubic hair from between her legs, and the lips of her cunt were pouting out all over the place.

I also saw that those crinkled cunt lips of hers were all wet and sticky, and she saw where I was looking and she explained that while she had been standing behind the bar she had wanked herself off several times with a bottle.

I told her again that I was just about shattered, and that I really doubted if I could get another erection. She gave me a sweet smile and said that she hadn't yet met the prick she couldn't arouse.

I was just going to take her into one of the dressing rooms when I heard a shout from the centre of the club. We both looked over and saw that two women were putting on a really kinky exhibition, so I took the barmaid over there and we watched it for a little while.

A blonde woman had pushed a cigarette into her pussy hole and had lit up, and she was using her incredible vaginal muscles to smoke that fag. Yes, that's right, great clouds of smoke were coming from her pussy hole as she puffed away with her cunt muscles.

The other woman had placed a ping pong ball in her pussy hole, then she raised her hips from the floor, took a deep breath, worked away with her cunt muscles, and would you believe that the ball shot five feet in the air from her quim, blown out by the use of her strong muscles.

Watching that scene really turned me on and I felt my limp prick start to show signs of life. The barmaid saw this as well, and she took hold of my cock in her right hand and led me to a corner of the club.

I asked her if she would prefer the privacy of a dressing room, but she shook her head and said that it really got her worked up to screw in a room full of people.

She took me over to a space near the centre of the room then she got on her hands and knees and started to suck the pussy hole of a woman who was sitting on a chair.

I got behind the naked barmade and pushed my prick into her quim and hammered away like mad, and while I fucked her she continued to suck the cunt hole of the girl on the chair.

I came very quickly, and my sperm blasted out, there wasn't that much sperm, but I had come a number of times in the past hour so I was really amazed that there was any there at all.

I pulled my prick out but she didn't even seem to notice she just carried on sucking away at the other girl's pussy hole. I left her to it, I went into the bathroom in the end dressing room and had a shower and tried to get myself freshened up.

I wandered back into the main club room and saw that things were still going strong. Some men had collapsed in a state of exhaustion against the walls, and I understood how they felt, but all the women were still as randy as ever.

I saw three women ramming vibrators in and out of each other. I saw two other women trying to suck a man's cock back to life, but they weren't having a great deal of success. I also saw a woman on her own, she was pushing a great big thick candle in and out of her pussy hole and shouting with joy as she reached her orgasm.

I saw another woman who was being serviced by four men at the same time. She had a cock in her pussy, one in her mouth, and one in each hand.

Two girls were having a good time with this man in another corner. One of the girls was sitting on his face and he was sucking her off, and the other girl was sitting on his prick and riding up and down on it, and at the same time those two girls were reaching out and playing with each other's breasts and nipples.

Another girl, one with short black hair, had managed somehow to take two cocks into her mouth at the same time. She was sucking away like mad, and those two men came at exactly the same time and filled her mouth to overflowing with hot sperm, and from the look in her eyes I'd say that she liked it a lot.

A then saw another girl pushing a dildo in and out of a girl's pussy hole, and that other girl was sucking a man's prick, and the man whose prick was being sucked was finger fucking a red-headed girl, and that girl had her tongue deep into a blonde-haired girl's cunt.

Yes, it can get very confusing at an orgy. I decided to see if I had any more sperm left in me at II, and I rounded up four women who were doing nothing and told them to suck me off. I know it sounds greedy having four women, but it was an orgy after all.

One woman sucked at my balls, one at my cock, one at my glans, and the other ran her tongue all over my stomach. Having four women work on me at the same time did the trick and I managed to shoot out another load of sperm, and they shared it out between them.

I then had another shower, got dressed, and before I went I had another look round to see what was going on. More men were fast asleep against the wall, and by the look of them it would take hours before they got another erection. Max's girls certainly knew how to wear men out.

Then I saw a sight in the middle of the room that I will never forget. A woman was stretched out and she had this great dildo sticking from her pussy hole, and it was an electric dildo on a lead and was plugged into the mains.

That dildo was blasting in and out of her pussy hole and her juices were flowing out all over the carpet. She was writhing about all over the place and having a real ball. In fact she had a ball in every sense of the word, for a man walked over to her, knelt over her face and she took his balls into her mouth and started to suck at them for all she was worth.

Yes, when you go to Max's orgy night at the club you need to be fit, otherwise you won't last the course.

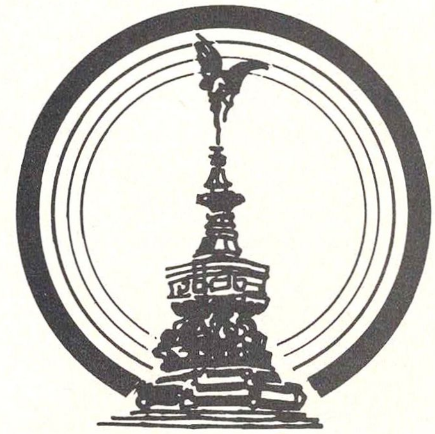
THE SOHO SCENE



FILM ROUND UP – This month we bring you a resume of the best adult films and the best cinema clubs in London. Adult movies showing in London split into two categories:

a) CINEMA CLUBS – which show uncensored, no holds barred, 'blue' material and

b) PUBLIC CINEMAS – Showing sexy 'X' programmes. The films showing at ordinary cinemas are not as strong as those showing at the clubs. However, a few are nearly as strong and these are featured below.

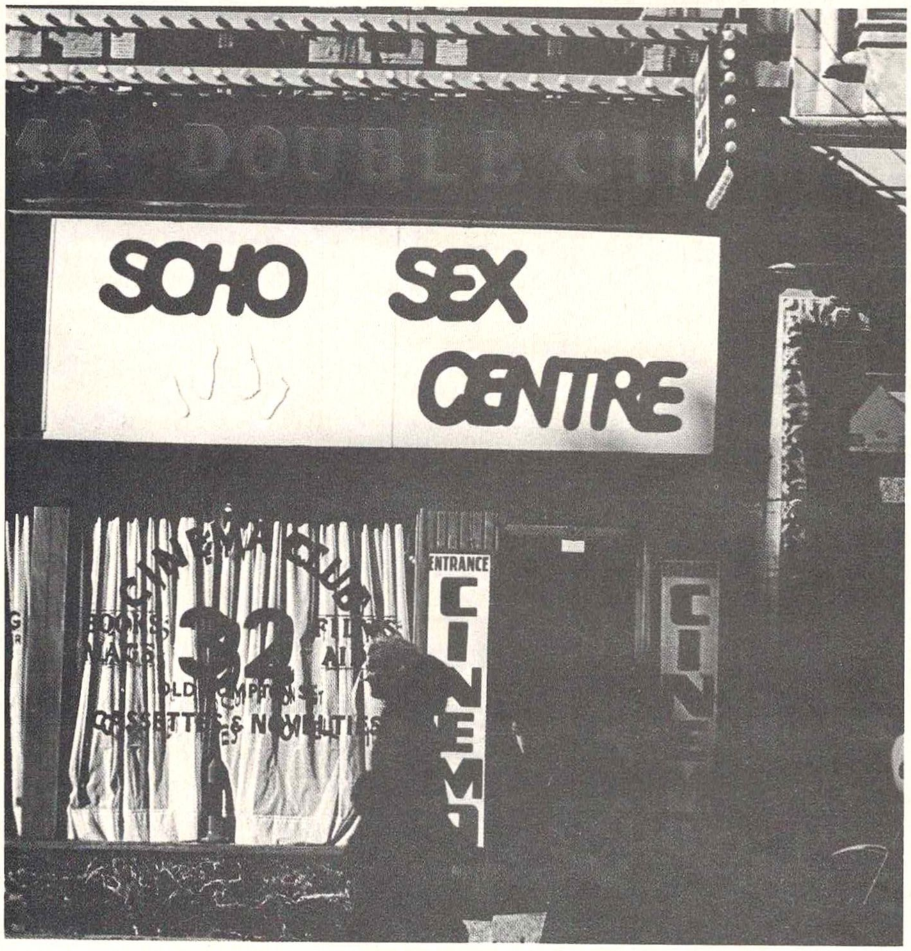
Without doubt the cinema is the best and cheapest form of adult entertainment in London. for just a few pounds you can watch explicit films, in luxurious surroundings, which a few years ago would have cost you £10 or more in a cheap and nasty 'room.'. Additionally, one Cinema Club (The Cin Cinema, 32 Old Compton St. Soho) has gone as far as opening 50p preview booths, and these really do show the real thing!

CINEMA CLUBS

There are now over fifty Cinema Clubs in Central London, some of these are still 'con' joints (ie clubs that not only overcharge, but show soft and very dated material). However, there are now one or two very good clubs, the best of which we list here. We visited 38 clubs to pick out the best 4!

i) THE EXCITING CINEMA CLUB – 18 Greek St. Soho. This cinema club is very conveniently located just a few minutes from Tottenham court Rd. and Piccadilly Circus tube stations. It is the best cinema club in London, showing the very best films on two Big Screens. The Club is open from 11.00 daily, 7 days a week, till late. The club is luxuriously decorated and is soon to open a VIP section with luxury armchairs and free drinks to members! So join now, annual membership £1, as membership will close shortly on this club.

ii) THE SOHO CENTRE, 32 Old Compton St. Soho. We list this club as it shows genuine, uncensored films AND it is the cheapest cinema club in Soho. It's open 7 days a week and is just around the corner from the Exciting Cinema Club. The club offers film shows from 50p! Don't miss visiting this club, it has Video, 16mm, and booths.



iii) SWEDISH PARADISE CINEMA CENTRE, 24 Brewer St. London W.1. (one minute from Piccadilly Circus Station). Shows exclusively Swedish material. Luxuriously decorated, probably better than any public cinema in London. Another cinema club that is well worth a visit.

SEX SHOPS

A few are worth a visit – with a wide variety of stock at reasonable prices.

CINEMAS

There are numerous cinemas in Central London that show adult movies, however many are out to 'clip' the tourist, showing poorly made, old, dubbed, foreign films (often retitled, so that you end up seeing a film you saw five years earlier under a different name!). However, there are a few exceptions and we suggest here three programmes that are really well worth seeing.

i) CONFESSIONS FROM THE DAVID GALAXY AFFAIR – showing from Thursday June 28th at the EROS CINEMA (which is right on Piccadilly Circus), London. This is our five star rating of the year, a really fabulous film and one not to be missed. 'Confessions From The David Galaxy Affair' can only be described as a 'blue' comedy, as it is both humorous and sexy. It combines the sexual talents of Mary Millington, Rosemarie England, and a host of beauties (including Miss Birmingham and Miss Bournemouth) and the comedy talents of Diana Dors, Alan Lake, Bernie Winters, Anthony Booth, Queenie Watts, Glyn Edwards... 'Confessions from the David Galaxy Affair' is a very funny sex film that will appeal to both male and female readers. DON'T MISS IT!

The film is also showing this Summer at the Studio cinema BLACKPOOL and the Empire Cinema (late night shows) Great Yarmouth. We

Stripper SONIA and male performer photographed during a break in the shooting of COME PLAY WITH ME – showing now at the Moulin Cinema, Gt. Windmill St. Soho.

urge all readers not to miss this exceptional film.

ii) QUEEN OF THE BLUES + MASSAGE GIRLS IN BANGKOK – these are two very good films, combining to make a tremendous value for money programme. In 'Queen of the Blues', Mary Millington plays a Swedish Blue Movie Star who appears in a Soho sex club, the story revolves around the sex lives of the artists. In contrast 'Massage Girls in Bangkok' is set in Thailand's naughtiest city and shows you what really goes on in Bangkok's red light district. These two films represent an exceptional value-for-money programme – two BRAND NEW, FULL-LENGTH, feature films for the price of one. Showing from July 26th at the Centa Cinema, Piccadilly (Piccadilly Circus End), London. Because of the highly explicit nature of both these films it is unlikely that they will be shown outside of Central London, so readers are once again urged to travel to see these films or miss out altogether!

iii) EMANUELLE MEETS THE WIFE SWAPPERS + COME PLAY WITH ME – no film review can pass without giving this really great 'double bill' a plug. It's showing 7 days a week, late show nightly at 11.00pm, at the Moulin Cinema, Gt. Windmill St. Soho. 'Come Play With Me' was Mary Millington's first starring role, as a nympho nurse at a sexy healthy farm. 'Come Play With Me' is a funny little film, it's now in its third year at the Moulin and the LONGEST RUNNING BRITISH FILM OF ALL TIME. 'Come Play With Me' is one for the film 'buffs' and a real collectors item. In contrast 'Emanuelle Meets the Wife Swappers' is a hard hitting Continental film, that leaves nothing to the imagination. It is packed with nudity and action from end to end. This great double bill runs for nearly four hours, and it can be seen at selected local cinemas all over Britain as well as Central London.

We sincerely hope that lots of you find the above information of interest, we assure you that you can save wasting a lot of hard earned cash by taking our advice and going just to the 'selected' places listed above.

THE SEXPLOITS OF MARY MILLINGTON

CHAPTER FOUR
AN INCREDIBLY KINKY AFTERNOON

Before I leave Nottingham behind, let me tell you about Cliff, and an afternoon I spent on his bed, the hot sun streaming through the window. Carol had gone to Derby for the day, to see her mother and no doubt tell her a few lies! I had an early lunch, just a few sandwiches, then went into the Castle grounds to sit on the grass and enjoy the sun. I was wearing a short dress... knickers for a change, a pair of black thin ones.

I bought a copy of a rival's sex magazine, to see what the opposition was doing, and settled down on the hill. A few yards lower down was a young, red haired man, laying face down, scribbling in a book. He kept glancing up at me, and I knew why. I was seated with my knees bent, and he could see my thighs and probably the gusset of my knickers. There is something about the hot sun that does more than warm your flesh, it makes you feel sexy, and knowing that this young man was getting a good view of my genital area turned me on. I dropped my knees a little wider apart, resting the magazine on them, pretending great interest in what I was reading, but occasionally glancing down at my admirer. He packed in scribbling, rested his chin on his hands, and gazed straight up between my legs. He kept shifting uncomfortably, and I guessed that he had a stalk on. I smiled down at him, and that was the invitation he wanted. He rose up, dropped one hand casually in front of his trousers, but not before I saw that he had a stalk on, and climbed up the hill to me. He sat by my side.

"Beautiful day," he murmured, glancing at the magazine I was reading. His eyes opened wide.

"It is nice, the sun is marvellous and hot," I said, smiling, and straightening my legs.

He introduced himself as Cliff, and I said I was having a holiday in Nottingham with a girl friend, but she had gone to Derby, leaving me alone in the wicked city! He was delighted about that, and suggested we went to the Trip To Jerusalem for a drink. The Trip is reputed to be the oldest pub in England, and it is very quaint inside. After a few drinks I told him I worked for a group of sex magazines. He was fascinated, all men are when I tell them what I do for a living. He said that he had read Private and Park Lane, and that he had been sorry to have missed my sister, Doreen, when she had visited Nottingham. He also let it slip that he read the more bizarre kind of magazine, where girls put masks on and that stuff. Now he had my interest. Not that I fancied whipping or anything like that, but I am a bit kinky... aren't we all? Kinky sex is great, as long as there isn't any pain around. I am aware that some people do get their kicks from being whipped, but not this kind!

When the pub closed he invited me back to his place to look at some of his magazines. I said that I would, but on no account would I be whipped, or do any whipping. He assured me he only liked to read about it, not do it, but he liked sex to be a little out of the ordinary. I went to his flat!

The magazines he had were on the mild side, nothing strong or cruel. Couples spanking each other, and girls pretending to be the dominant one. One picture fascinated me. It showed a girl, spreadeagled on a bed, her hands and feet tied wide apart, and the guy between her legs about to screw her. At least that was what you gathered, you couldn't see his cock!

We sat on the settee and began to neck quite passionately. We both wanted sex, so when he suggested we adjourn to his bedroom, I was delighted. The sun shone straight onto the bed.

"Aren't you going to draw the curtains?" I asked, undoing my dress.

"No," he said, "I like it better in the light." His eyes were fastened on my naked tits, the front of his trousers tenting out. He stripped off naked, and he had a fair sized cock, not as big as Alan's, but nice and thick. I stepped out of my dress, and was just about to skin my knickers down when he stopped me.

"Keep them on to start with, Mary," he muttered, his cock

"HIS COCK BECAME THICKER, BUT BY NO MEANS ERECT, I LONGED TO GET HOLD OF IT..."

swaying stiffly.

"I'll take them off later. I want the first one to last a long time, don't you?"

I was quite agreeable to that, and we got on the bed, kissing and playing around with each other. I half expected him to be on the rough side, with him liking the bizarre side of sex, but he wasn't, he was extraordinarily gentle, his fingers lightly brushing over my belly making my nerves jump. I held his hot cock in my hand, moving the foreskin up and down slowly, and gripping the base hard every now and again so that he wouldn't come before his time.

"Let me do what I want with you Mary," he panted. "I promise I won't hurt you."

"What do you want to do?" I asked, arching my back as he kissed a rising peak.

"Tie you down, so that you can't move!"

"No chance, Cliff" I murmured, widening my thighs as he slipped a couple of fingers under my knickers. "I like to be in a position to stop you!" He was mouthing all over my breasts now, his fingers sliding up and down my wet slit.

"I promise you Mary, I won't hurt you. I'm not a sadist. You'll enjoy it, I know you will."

I thought about it while he brought my passion higher with his fingers.

"You won't hurt me?"

"No" he whispered, "I'll tie your wrists to the top of the bed, and your ankles to the bottom."

The picture flashed through my mind of the girl who had been tied in a similar position, and my heart beat a shade faster.

"Alright" I said, "but I warn you Cliff, if you hurt me I'll scream the place down."

He got from the bed and went into the next room. I had misgivings straight away, what was I letting myself in for? Once I was tied and defenceless, he would be able to do all sorts of horrible things to me. I was beginning to think I had been a fool to consent.

He came back in with four pieces of rope, and his cock swung limply between his legs. I gazed at him thoughtfully. He didn't look the evil kind, he had a nice face. His hands were trembling as he tied my wrists to the top of the bed. When he had done that he kissed each tit lovingly, drawing the nipple into his mouth. His fingers trailed over my belly, skirting my pussy, then going down the insides of my thighs. My stomach jerked, and when he took my ankle, kissing it before he tied it to the foot of the bed, my hole twitched and dampened. His cock was still limp, and that did surprise me, I would have thought it would have been like a poker by now. He pulled my left leg wide, then tied that down. I was spreadeagled on the bed, like some pagan sacrifice, unable to move.

He stood by the bed for ages, his cock swinging near my face, staring at me. My nipples were erect, and my tits ached, I wanted him to do something. He did, he ran his hands the length of my body, not touching my nipples, but going over the mound. It was the same when he reached the vee of my thighs, he kept away from my open slit, just caressing the inside of my legs down to my ankles, then back up again, until I was jerking my body up and down. It was a most erotic sensation, I wanted him to feel me properly, put a couple of fingers inside me and bring me to a climax.

His cock had got a little thicker, but it was by no means erect. I longed to get hold of it and give him a wank, but I couldn't move my hands! Then he walked away from the bed and opened the wardrobe door. I went cold all over when he took out a satin dressing gown cord. What on earth was he goind to do now? He then got a vibro and pulled a sheath over it. My eyes started out of my head, the sheath was covered in tiny hairs!

"You're not going to beat me with that cord, are you?" I asked, weakly, "because if you do I'll scream the place down."

"I won't hurt you Mary, I told you that. I'm going to enjoy myself, and so are you."

"I WAS READY FOR HIM, BEGGING HIM TO SCREW ME... MY CLITORIS WAS READY TO BURST..."

His cock was uncoiling from his thigh, swelling up, the foreskin coming back from the head, the glans shining with lust. I was still a bit scared, but that didn't stop me feeling very sexy.

He kneeled on the bed by my side, and raised the cord in the air, about two feet up, the tassles hanging down. He lowered it slowly until the tassles dragged over my bosom. I could feel my nipples tingle, and automatically my hips rose, another trickle of moisture oozing out. I stared at the cord as if hypnotised while Cliff swung it like a pendulum above me, the tassles just teasing my hot flesh. He now had an erection like a branch, and his hairy ball bag looked like a coconut. I wondered how long he would be able to stand it.

"You like being tickled?" he asked, dragging the cord over my quivering belly, around my pubes.

"I want more than that," I grunted, arching my body as best I could.

"All in good time," he murmured. "We needn't rush, we'll do it slow, and make it last."

The sensations that were running through my body were unbelievable, my pussy itched like mad, and my tits were on fire. I wanted to bounce up and down, take that glittering erection as far into me as I could, and fuck like crazy!

I watched the end of the tassle as it swung above me. It went down my body to my legs, touching my toes, stopping there a few seconds, then over the soles of my feet. The sensations travelled up my body, centering between my open thighs. God, but I needed a screwing badly. I writhed and twisted, not wanting him to stop, but praying for a climax to relieve my aching flesh. The muscles in my inner thighs were stretching, and I could feel the lips of my pussy opening and closing in a slow rhythm, hungering for the thrust of a hard cock.. Cliff's hard cock, which was monsterous by now.

The cord moved from the soles of my feet, went over my ankles and calves then up to my inner thighs, touching over my wet fringe. My heels dug into the bed, my back arched as he tickled over my slit. The desire in me was tremendous, I was ready for screaming at him, begging him to screw me through the mattress, my clitoris was ready to burst! I tugged with my wrists, but I couldn't loosen the knot. I so wanted to grab that engorged tool and put it in me.

"Please," I begged, "please Cliff, fuck me, I'm going mad!"

"Soon," he smiled, pulling the cord away from my pussy and up my body to my tits. "Soon we will make it together."

The sun was hot on my body, making the perspiration run down the valley of my breasts. I closed my eyes, my body rocking helplessly. I could feel the soft caress of the cord over my heaving belly. It lingered, travelled upwards onto my spiking tits, down the valley, like a moth, touching sensuously everywhere, then back to my nipples, making them throb as hard as my clitoris. I wanted to stop the exquisite torture, my fingers twisting and curling, my toes doing the same, my hips rocking and rising up and down, the moisture from my pussy seeping onto my thighs and running down between my legs. Never had I been aroused so slowly to such a delicious ecstatic level. My mouth was open, my eyes tightly closed, the lust pounding in my veins, God, when he did mount me, I would screw his brains out!

The cord went down my belly to between my open legs, my feet were planted firmly against the foot board, securely tied, and my body rose to a swaying bridge. Each time the cord brushed over my pussy lips, I couldn't stop the groan escaping my throat. He kept it going for ages, from my pussy to my breasts, then down to my oozing pussy again. Then he kept it there, right on my clitoris.

"Don't.. don't move it," I panted, "keep it right there."

I was on the brink of an orgasm, and I clamped my teeth together to choke off a scream. Another couple of seconds and I would be over the top.

The tickling suddenly stopped.

I opened my eyes and gazed at Cliff through a red mist, my hips jerking. His cock stood out straight and strong, drops of moisture trickling from the end.

"I want to come," I said, simply.

"So do I, Mary, but will you suck me first?"

I nodded dumbly and he positioned himself near to my open mouth. I slipped my mouth over the hot moist cock, licking my tongue over it in a slow circular motion.

Cliff grunted. "That's enough Mary, I want to fuck you."

With a quick movement he untied my wrists, setting my hands free. He settled between my legs and I guided him into me, sighing deeply as I felt the penetration I so badly needed. I cried out when he went in, his cock filling me bloatedly. He moved his hips up and down, and I held him tightly, climaxing immediately, my bottom jerking, out of rhythm with his thrusting.

"I'm spunking," he said, thrusting furiously. I found his rhythm, moving up to meet him, my pussy twitching again into a climax, God, I was having a multiple, the dream of every sexy girl!

I clawed his back, my swollen breasts rammed against his chest, my bottom off the bed, wanting as much as he could pound into me. His face came down and he sucked hungrily at my nipple. Passion flooded through my body. His erection thickened, and I throbbed and squeezed, milking at the staff buried inside me. My last climax was an explosion that nearly rocked Cliff from my body, and my heat brought him off. His ejaculation lanced hotly into me, and he groaned, finding my lips in a searing kiss of pleasure.

It took him a long time to subside, I could feel his cock quivering for ages in my sheath. I squeezed his bottom with rapture.

"Untie my ankles," I whispered, "my legs are aching."

He pulled noisily out of my pussy and untied me before curling into my arms and legs. His wet cock nestled against my belly, his hand gently cupped a swollen breast.

"I didn't hurt you, did I?" he murmured, licking over the inflamed nipple.

"No Cliff, you didn't."

I put my leg over his hip, feeling his rising cock nudging at my puffy slit. He moved in easily, and we lay still, kissing and fondling, his flesh in soak. He put his hand between us, his finger twirling the entrance, just above where his cock was embedded. It felt as though his finger was charged with elec-

DATING CONFIDENTIAL

"I BOBBED UP AND DOWN VERY FAST, HIS HANDS SQUEEZING ME AS HE GRUNTED AND GROANED..."

tricity, the contact making me quiver. This wasn't just having a jump, this was sheer ecstasy!

He rolled over onto his back, and I lay on top, and we didn't lose contact once! I settled down, my breasts flattened against his hairy chest, his cock filling my wet sheath. This was divine, this was perfection. I moved slowly, almost coming away from him, hesitating a second, then plunging down so that his balls tickled my bottom. He held my hips in a firm but gentle grip, helping me move. Each time we kissed I could feel his tool swell up and throb deep inside the channel. Now that we had both come, we could keep up the rhythm for a long time, enjoying and savouring our bodies to the full. I raised my arms up, balancing, and looked down between us. I could see his shaft sinking in slowly when I lowered myself, then reappearing when I lifted myself up. My tits dangled near his face, so I bent my arms, guiding the nipple to his waiting mouth.

He began to surge up, his control slipping. His passion excited me more than ever. I bobbed up and down very fast, and his hands slipped to my bottom, squeezing and nipping me, while he grunted and groaned his lust. I fell forward, bracing my hands on each side of his head. I dropped down hard, making him gasp, then I rose up, holding for a second, then dropped hard again.

His cock swelled up, his bottom came from the bed, his fingers dug into me so hard I cried out. I corkscrewed him, until with a shout, he sent the final spurt into me, clawing and scratching my backside. A few quick jerks and we kissed, my own climax shattering every nerve in my body.

Mary Millington had been well and truly screwed out of her mind!

The sun still shone hotly on the bed, and I felt sticky all over. I excused myself and went to the bathroom to have a good wash. I thought over what he had done with that dressing gown cord. It had been so erotic, a simple thing like the tassles had excited me so much. When I got back to the bedroom Cliff was fast asleep, which wasn't surprising! I lay by his side and dozed off myself, my dreams full of naked men teasing me with the tassles on a dressing gown cord.

When Carol got home I told her all about it. She listened in open mouthed silence.

"Gawd, I'd have come a dozen times!" she said, when I had finished.

"I think I did," I said, ruefully. "Do you know, there was a time when he could have done anything he wished, and I would have welcomed it."

"You took a risk, Mary, letting him tie you up so that you couldn't move. I mean, he could have given you a good hiding. Kinky men get a bit carried away."

"I know," I murmured. "I suppose I was lucky. I'd have loved to have tied Cliff up and given him the same treatment."

Carol laughed. "He'd have come within a few minutes, men do if you tease them around the balls. Did I ever tell you about a guy I knew who would come if you squeezed his balls a couple of times?"

She hadn't, so she did!

A couple of days later I left Nottingham. I'd got enough material to fill a book. Carol's adventures were enough! I've been back a number of times since, some of my adventures were published in Whitehouse and Park Lane. I didn't stay with Carol on those visits, because she was on holiday each time, but that didn't stop me having a great time. I still think about Cliff and that dressing gown cord, and I used it myself on a guy some weeks later, with devastating results. Carry on reading, folks, you'll come across it!

FILM STARLET OF THE MONTH

Each month in this section we bring you photographs of one of the top, up and coming actresses from Britain, Holland, Germany, Sweden, Denmark or America. These are the best looking up and coming FILM STARLETS. This section is devoted to the very lovely Diane Dream from Stockholm, seen here with her brunette girlfriend. She has just made her British screen debut in the very controversial sex comedy 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR'. The latter is a really superb sex comedy that will appeal to men and women alike. It revolves around the sexcapades of friendly con-man and astrologer David Galaxy. This film will really appeal to all readers named David, (or any readers with friends or relations named David) – as they'll really be able to associate with the character.

'Confessions from The David Galaxy Affair' is a really big budget sex extravaganza, and it's both erotic and funny. This unique combination of humour and explicitness allows the film to get away with showing really strong sequences without being offensive, in this way the film becomes sexy, but acceptable. 'Confessions from The David Galaxy Affair' will appeal to both sexes, so we urge you to take your wife or girlfriend to see it; it's guaranteed to turn BOTH sexes on! David Galaxy is the man every man would like to be – he's not that good looking, but by cunning, charm and using his brain and his wits, he manages to bed most of the women he meets. Galaxy has made love to over 5,000 different women – he shows you how to do it in 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR', you'll be a different man after you've seen this film! God help any girl you go out with, with all the new techniques David Galaxy will show you, she'll be no match for you! So if you want to improve your sex pulling power and see more of the very lovely Diane featured here, (although we would point out that these are not stills from the film), then we urge you to look out for 'CONFESSIONS FROM THE DAVID GALAXY AFFAIR'. Because of its very explicit nature, this film will not be showing nation-wide, so look out for it – if it comes to a cinema within 100 miles of where you live, we urge you to travel to see it showing in:

- **LONDON** showing NOW at the Eros Cinema, Piccadilly Circus, London. (01-437 3839) – 7 days a week from 11.00am daily, (late show nightly at 11.00pm).
- **BLACKPOOL** from July 5th at the Studio Cinema, 7 days a week.
- **GREAT YARMOUTH** from July 5th at the Empire Cinema, 7 days a week but late night shows only.

Magazine fans who'd like to see more of Diane, will be pleased to know that there is a large colour set of her, (and very naughty too, we might add), in the new 100 page, colour, all sex magazine 'ROMP'. So why don't you do a little 'ROMPING' and meet the 'ROMPING' girls that it features? ROMP is available from the newsagent who sold you this magazine, just £1, (in case of difficulty, send £1.10 for a sample of Romp, mail order, or £12.00 for a subscription, to: Romp Magazine, 34 Upton Lane, London E.7.).

ARTiST'S MODEL

Being an enthusiastic nudist I was thrilled when a letter arrived one morning from a couple in Perth who were considering this way of life. They had made a few enquiries, they said, and had been given my name as someone who could possibly answer all their questions. From their letter I gathered that Andrew was thirty-four and Sheila, his wife, was twenty-eight. I would have liked it better if they had sent me a photograph of themselves but possibly the thought never occurred to them. Anyway Perth was not too far away for me to drive so I replied that I would be delighted to call out to see them the following Wednesday evening if that were suitable. I added that if I did not hear from them again before Wednesday morning I would assume my visit would be in order.

MAGAZINES

When the mail came in on the Wednesday morning I went through all the letters fast and, since there was nothing from Andrew and Sheila I prepared myself for my visit with them. I got home early from work and showered and shaved before putting on a clean set of clothes. Then, taking a few nudist magazines with me in case they should be required, I set off for Perth.

Although I do not know this particular city very well I was lucky enough to find their house fairly quickly. I drove past slowly first to size up the house and garden as I've found one can get a fair idea of the type of person living there from shrewd observations of these things. In this case I saw a well kept villa surrounded by a neat garden. I did not particularly admire their choice of gnomes in the front garden but that was up to themselves; the rest was to my liking. Turning the car at the end of the road I drove back and stopped outside.

In response to my ring on the bell the door was opened by a bearded man whom I took to be Andrew. Obviously expecting me he said, "John Frampton?" and, on me admitting my identity he invited me in. I was shown into the lounge where the first thing that struck me, apart from the nice furnishings, were the paintings and drawings on the walls. They were all of nude men and women, singly and in groups!

I sat in an armchair beside the roaring fire while Andrew called out to his wife that I had arrived. Sheila came downstaire immediately and we were swiftly introduced. While I sat down again I took a good look at her.

Tall and slim she did not appear to have very much in the way of a bust. However what she lacked in the tit department she seemed to make up for lower down. From her narrow waist her hips flared out attractively and, though her rear was not overlarge, it still looked interesting enough from what I could make out through her tight skirt. This as drawn demurely over her knees as she sat down but this I put down to more force of habit than anything else. To open the conversation I asked, "Who's idea was it first to consider nudism?"

JOHN FRAMPTON

SUGGESTION

They both looked at each other before Andrew admitted the initial suggestion had come from him. Sheila was not prepared to let him take all the blame, or credit, depending on how you look at it. She told me that when she was younger she used to strip off quite often in some secluded spot and soak up the sun in the nude. Then when she got older and realised her boobs were always going to be on the small side she became too self-conscious to let other people see her naked. However when Andrew had raised the subject she had allowed herself to be convinced that shape and size were not important. I seized on this opportunity to bring out my magazines and found a couple of pictures of small-titted girls to prove the point that had been made. That at least got that detail out of

the way and decently buried.

Within a very short space of time I had both of them agreeing to join me in a secluded spot I knew to sunbathe in the nude on the first nice Saturday. That way they could find out for themselves how the idea worked for them without making a definite decision to join a club first. Frankly I had no doubt as to what their decision would be, they both seemed keen enough, but it was better to be safe than sorry. With this final point agreed Sheila went out to make some supper. I took advantage of this to ask Andrew about the pictures on the walls.

"Oh Sheila has done all these," he replied. "She goes to an art class every week. She seems to enjoy it and I think she's quite good at it. Don't you?"

I was quick to agree and in fact the drawings were excellent. Not being able to draw myself, never mind paint, I have always admired those fortunate people who have anartistic talent. I mentioned this fact to Sheila as soon as she returned with the supper.

"Oh the others at the class are better than me," she said modestly. "Still I enjoy it and I'm glad you like my efforts."

"Do you have much trouble in getting models for your nude work?" I asked.

"A bit. So far we've been lucky since a man and a couple of girls in the class pose for us from time to time. Of course that does keep them from drawing on these evenings which is rather a shame."

"So it must be," I agreed. "I've an idea of what might help though, but I'd need your advice first."

"Anything would be good I'm sure if it'll help the others," Andrew said hopefully.

"Okay here goes. I've had my photo taken thousands of times in the nude but I've never been drawn or painted like that before. Do you think I could hold a pose for long enough? If so then I'm willing to try."

"Well, there's no way to be sure without actually doing it and finding out for yourself. If you don't mind you could come along next Tuesday evening when we meet. I'll give you my address," Sheila suggested.

STRIP OFF

Before I could say anything Andrew chipped in. "Why don't you try doing a pencil sketch of John right now dear? After all he's gone to the trouble to work out a nudist trial for us so I think it's only fair that you should give him a trial at this."

Sheila looked straight at me as she samd, "What do you think, John?"

"Where can I undress?" I asked with a grin,

"Here if you like. I doubt if you'll be embarrassed but in any case you can strip off while I get my pencils and things." At that she rose and left the room while I began to remove my clothing. I was stark naked when she returned a few minutes later.

I adopted the pose that Sheila requested and found it quite comfortable. I had no doubts about my ability to stay still for the twenty minutes or so required but my main concern was the reaction of my prick. In an outdoor nude situation with plenty of other naked people around and lots of different activities going on it is a comparatively simple matter to keep one's emotions in check. The position I now found myself in was rather different. In the first place we were indoors and secondly while I was unclothed my two new friends were still fully dressed. Add to that the fact that Sheila, being so wrapped up in her work, was not quite as careful about how she was sitting and you may understand my problem. To be perfectly frank I did not really fancy Sheila in a sexual way but that did not alter the facf that I could see right up her skirt, mainly because she had got me to pose sitting down on the floor. From my low viewpoint I could see her pantie covered crotch with just one or two tendrils of pussy hair poking out cheekily at the sides. She had neither stockings nor tights on which was perhaps a good thing. If one thing is guaranteed to give me an instant hard-on it is the sight of suspenders and stockings. In spite of the fact that her panties were made of fairly heavy material I could not even make out the outline of her quim I could still imagine what it would look like. Perhaps luckily for me, (or had she spotted my dilemma?) she said she had finished drawing my face and I could talk if I wished. I seized this chance immediately to hold a general conversation with Andrew which took my mind off sex for a bit.

Well inside the twenty minutes she had suggested would be needed she announced she had finished. I rose and walked across the room to have a look at the finished article. It struck me as being a reasonably good likeness with only one fault I thought. Sheila had drawn my cock as though I were circumcised which I'm not. I was just about to mention this fact when, glancing down, I saw my foreskin had indeed retracted a trifle so that the purplish helmet of my knob was actually visible. Perhaps not quite as much as Sheila had indicated but I put this down to artistic licence. When I said how pleased I was with the result she kindly donated the drawing to me. While I was pleased with the picture she had given me I was even more delighted to hear her say she had found me to be a good steady sitter. That being the case she was certain I would be suitable as a model for her art class. And that was how I got into the world of posing and also developed an interest in the subject.

DELIGHTED

The following week I received another letter from Sheila to tell me that the art class would be delighted if I would come along and pose for them at their next meeting. If I hadn't changed my mind and was still keen to give it a swing she wrote that I should be at another house in Perth at seven-thirty on the following Tuesday evening. I dropped her a hasty note to say that I would indeed be there on Tuesday and, if I arrived before her, I would introduce myself to Mrs. Cheryl Adams who I gathered held the class at the address she had given me. Then I sat down to wait for the Tuesday evening to come around.

Perhaps I was over anxious but the fact remains that I arrived at the Adams' house a few minutes after seven on the appointed evening. The woman who opened the door to me was a real peach and well endowed in the mammary department I was pleased to note. I told her who I was to which she replied that she was Mrs. Adams but that I could call her Cheryl. I responded by telling her she could also call me by my Christian name so things got off to a most friendly start right off.

Cheryl showed me into what was obviously her bedroom which she explained was where the models usually undressed. She told me I could strip any time I liked, showing me a short terry towelling robe I could slip on, while she went back downstairs to welcome her class as they arrived. This suited me perfectly but I had one question for her which I wanted cleared as soon as possible. "What is your husband likely to say if he walks in here and finds me starkers?"

Much go my surprise she gave a deep throaty chuckle at this question as though it were the funniest thing dhe hadcheard all week. "Oh you don't need to worry about that slob!" she giggled. "The bugger left me over a year ago. I've neither seen nor heard from him since. That's actually one reason why I started this art class. The extra money is always useful you know." So saying, and with a sexy swing of her hips she left me to undress.

I undressed and, as the room was nice and warm, sat on the edge of the bed in the nude. I could always slip on the robe to go down to pose when the time came. I heard the class arriving and had counted five separate rings at the bell before Cheryl appeared back in the bedroom. At first I thought she had come to tell me to go down to the class then I saw her begin to strip also.

Her jumper, skirt, and slip were taken off in short order leaving me gazing dumbfounded as she stood in her underwear. This was composed of a servicable bra and knickers which together with her self-supporting stockings were hardly calculated to set the world on fire. This might have been the case in other circumstances but as it was I found my cock responding to the sight. I think it was the atmosphere, being in a bedroom and all, together with the deep cleavage she was displaying between her large boobs. Being more of a tit man than anything I could hardly wait to see them revealed in all their naked glory. But I had to find out the reason for her stripping first.

"What's all this about then, Cheryl?" I asked.

"Oh I hope you don't mind John. I should have told you the class want to draw and paint a duo. We don't get many chances like this. If it upsets you though we'll just use you on your own."

UNDIES

"It's not that, Cheryl. The only thing is my prick is getting hard and that's only through seeing you in your undies. I shudder to think what state it'll be in when you strip off completely."

"Don't you worry about that," she grinned. "Just you leave it to your Auntie Cheryl. I think a few minutes will soon sort that out." With that she unhooked her bra to follow this move by pulling down her knickers and removing her stockings. Naked as the day she was born she stood before me putting my mind in a whirl of erotic thoughts. Almost immediately my nudger sprang up to full attention.

This was hardly surprising when one considered the sight being displayed before my eyes. Her boobs, though large, were firm enough to stand out by themselves without the assistance of a bra. Each tit was tipped by a luscious dark brown nipple which in turn was surrounded by a slightly paler aureole. Her waist was narrow and her belly smooth and flat. Wide flaring hips indicated the pertness of her backside. But it was the bush at her crotch that my eyes were inevitably drawn towards. She had a perfect triangle of curly pussy hair with a darker line indicating the location of her slit. How I longed to get my fingers then my rigid cock poked up between her legs.

Cheryl was looking at my hard-on with slight amusement as I studied her form. Slowly she approached the bed where I was sitting holding my stiff in my hand.

"My, you are a big boy!" she breathed softly as she knelt down in front of me. "I don't think the class are quite ready for the orgy scene yet, otherwise you would do fine as you are. Still we're wasting time. I told you I would fix it. If you let me suck you off now I'm sure your prick will soften after you've creamed my mouth. You might get it up again later."

This left me wondering exactly what she meant by 'getting it up later' as she opened her mouth wide and took as much of my member into her as she could.

As far as I was concerned Cheryl was an expert cock-sucker. Her mouth felt like a little rabbit nibbling my stalk as she gobbled me to perfection. Her teeth lightly scraped the sensitive membrane of my knob as she sucked and blew on my throbbing organ. I could feel the spunk begin to rise within my shaft while her heavy boobs brushed sexily against my knees. I groaned I was about to come at which the bobbing of her head as she plated me became quicker and more demanding. I clutched at one of her tits while she puffed out her cheeks to take the first spurting globs of my creamy spunk. Then I blew my mind.

TINGLING

The tingling of my knob was suddenly relieved as with a great heaving gush my come jetted out to splatter deep into Cheryl's throat. As the first spurt shot into her mouth she gagged slightly but quickly recovered to begin swallowing all I could punp into her. Electric shocks rocketed through my body as with quivering thighs I gave her every last drop of my cream.

Finally it was over and my now flaccid tool slipped out from between her goo-covered lips. Not wanting to waste a drip of my precious fluid she licked up what she could with the tip of her tongue before performing a similar service to my soft prick. My cock was quite red but Cheryl solved this problem by sprinkling soothing talc over it then lightly dusting it off. When she had finished it would have taken a keen observer to be certain that my tool had been working so soon before. Full of

gratitude I thanked Cheryl for attending to my needs so delightfully then mentioned how unfair it seemed that I could not do something for her sexual needs as well. She answered this by saying there was not time but added softly, "Perhaps later..." That was promising!

Cheryl gave her pussy hair a light brush then, taking me by the hand, led me downstairs to the room in which her class were assembled. There were four girls and a man sitting in the room when we entered. I recognised Sheila who rose and introduced me to the others. This formality completed Cheryl and I slipped off our robes and clambered onto a small dais which had been placed in the middle of the floor. There I adopted the pose suggested by Cheryl while she squatted at my feet. I found that by resting a hand lightly on her shoulder I could keep steadier. She did not appear to have any objections to this contact. Indeed she accepted it with a smile and covered my hand with hers.

The class got down to work, some faster than others, as we models did our best to remain motionless. I was beginning to get cramp in my thigh when Cheryl pointed out that we had been set like this for nearly half an hour. She called a break and while she went around her class suggesting an alteration here or a better method there, I relaxed.

Maybe I was getting used to it or else I was becoming more at my ease. Whatever it was I found the next session much easier as was the third and final posing stints we had to do. What pleased me most of all was the fact that my prick behaved itself. Perhaps it was a little fuller than it might be in its normal flaccid state but nowhere near showing as a powerful hard-on. That this was thanks to Cheryl's ministrations earlier there could be no doubt.

I slipped on my robe and strolled among the easels to see how the artists' efforts had turned out. Some were better than others but I did think Sheila had done a reasonable job. Again perhaps my prick was a bit thicker and longer looking than it had been and Cheryl's breasts seemed to be a trifle smaller than I would have drawn them. However that was hardly the point and I had to admit to being pleased with the results.

RAMPANT

Cheryl gave the class tea and biscuits as she moved among them giving bits of advice where necessary. This did not take too long, I was glad to find, so that in less than half an hour they had left and Cheryl and I were on our own. Blunt and direct as I was to find was her way she had hardly closed the door behind the last pupil before she sat down close to me, her bare thigh touching mine and said, "Now we can organise some fucking!"

Under the robe I was still wearing my prick shot up into full and rampant erection. Cheryl slipped off her gown then opened mine all the way down the front to reveal my solid manhood. Before I could do anything she had bent down to smother my stiff tool and balls with kisses that were as pleasant to feel as they were thrilling. Again I felt the huge orbs of her firm hard tipped boobs press against my naked flesh rousing me to even greater heights of desire. However I could not allow this treatment of my rigid rod to go on much longer. If it did then I was in danger of shooting my load again. I had enjoyed the earlier suck-off Cheryl had given me but this time she had said she wanted fucking and fucking was what she was going to get.

As gently as possible I raised her head from my crotch until I could give her a deep tongue searching kiss. With one hand I fondled her right tit while my other hand busied itself down among the forest of her thick pussy hair. It was already damp and down in this forest something was very definitely stirring. I could feel her liquid flowing faster as her cunt lips swelled out leaving her quim wide open for my prodding poking fingers. The sensation deep up her twat was like wet velvet leaving me in no doubt as to how much she was turned on. Her slit was sopping wet and her clit fully erect and sticking up like a miniature penis. If ever anyone was ripe for fucking it had to be Cheryl just then.

SENSUOUS

She squirmed on the couch while our tongues fought each other until with a long sensuous moan she slid down to the floor pulling me with her. I got rid of my robe on my way down then tried to spread her thighs to allow my prick to enter her pleasure pit. The tip of my knob lightly pressed against her saturated minge leading me to believe it would only be seconds before I was stuffed up her crack. But Cheryl had other ideas. "I want to feel every throbbing inch of your dick all the eay inside my fanny," she said. "Screw me doggy fashion. I always seem to feel more prick pumping up me that way. Let me get into position, darling, please."

If that was what she wanted to make her happy I was not about to refuse her request. Gallantly I helped her up until she could stand alongside the back of the settee with her feet planted wide apart. She bent over, cocking her bum high in the air, then nodded to me over her shoulder to commence the operations. She had a glorious behind. The twin smooth hillocks of her bum cheeks accentuated the depth of her crease dividing them. I made sure my foreskin was pulled all the way back before I laid the underside of my tool along her bum crack.

As I moved back slightly to slit my piston into the groove nature had designed to receive it. I saw her soaking wide pussy lips and damp curly curls through her parted thighs. From the rear her love tunnel looked to be the sweetest thing on earth and within moments my staff was knocking at her entrance. Not for long. With a lusty heave of her buttocks she forced my prick to glide smoothly into her lubricious twat. I responded by jerking my hips to meet her so that my nudger squashed against the cheeks of her lovely bottom. I clasped her tightly around the hips to hold her close and prevent any further movement for the few thrilling moments while my cock soaked in her warm sex juices. Then it was all systems go.

The scent of her arousal increased in intensity as I pounded my weapon harder and faster up and down her sex sheath. Looking over her shoulder I could see her tits swinging madly as she jerked and bucked to compliment my every stabbing stroke. We were alone in a world of fucking and thrilling to every second of it. Low animal noises of moans and grunts

filled the air as I screwed Cheryl as hard and yet as tenderly as I could. My fingers tightened around her hips until, burrowing through her minge fringe, I found I could just squeeze her stiff clit. The moment I pressed hard on this little love button of hers she rocketed into orbit.

Totally uninhibited she screamed, "Oh yes... yes... yes! Fuck my cunt deeper. Fill my quim! Quick... oh fuck it quick! I'm coming! Oh help me I'm coming. I'm... coming! Ohhhhh... Arrrggghhh..."

She was like a wild animal or a soul in torment as she went completely out of control with the force of her shattering orgasm. Her juices pissed out from her slit in a veritable flood. Her body quivered and trembled with the climactic spasms roaring through it. Then, right at the zenith of her climax, the grip of her cunt on my pounding prick grew keener. This restrained the movement I could make but it was compensated by the feeling of suction at my knob end. The result of this was even more wonderful than the friction I had felt in my shaft while I was shagging her twat before. In fact it was for all the world as though her nether mouth was going to suck me off. In this it was astonishingly successful!

I could contain my seed no longer. All I managed to do was to groan and grunt I was going to come then from that time on I was as helpless as Cheryl. My spunk shot out from the sibgle eye of my knob in one long seemingly endless scalding stream as I jetted my copious flood all the way up to the neck of her womb. Her buttocks strained into my quivering crotch and I knew I was filling her as much as she desired. I knew she could feel my spurring come squirting up her and her only reaction was to try for more. In the throes of her violent orgasm she kept up the pressure on my prick with her quim until she was completely exhausted with the effort and my balls had been drained dry of their last drop of semen. Only then did she relax sufficiently to allow my wilting willie to slip out from her slippery slit with a soft plop.

KNACKERED

Both of us were so shagged out and knackered after this glorious fuck that we fell to a shuddering heap on the floor with our naked arms and legs sexily entwined. Gulping down huge lungfuls of air we clung to each other for a long time until we gradually recovered and came back down from our delirious heights to a more earthly plane. Only then did Cheryl kiss me gently on the lips after which she muttered, "That was so beautiful, John darling. You can have no idea how much I needed to be fucked like that. It's ages since I've had a real man. Bless you my love!"

I kissed her lightly on the lips, happy that she had been so well satisfied with my performance, and whispered something inane like being glad to have been of service. It was then that she astonished me by saying she would like to make a painting of me with a roaring beat-on! When I asked her why she simply replied that it would always remind her of the beautiful music we had made together and the wonderful experience it had been. I could not find it in me to refuse her request but there was the problem of how to raise yet another hard-on so soon. Cheryl solved that particular problem in typical fashion.

A short rest was the first thing she prescribed. To pass the time she poured out a couple of whiskies which we used to toast each other and drank to the memory of our first time to put it together. We also vowed it would not be the last time we had it off either. About an hour later, which Cheryl figured was long enough for me, she set to work to stiffen my prick in the shortest possible space of time. It was already showing signs of life and was indeed semi hard before she mouthed me to full and rampant erection. As soon as it was sticking out in front of me like a randy bargepole she began work on the canvas she had prepared. A sketch pad alongside her served for her preliminary pencil drawings then I had to try to remain motionless while she captured my appearance on the canvas. She was good and worked quickly but even so I had to have a couple of short breaks to ease my cramped muscles. After each she again applied her ruby lips to my dongler for a few minutes until I was fully stiff again.

It was well after midnight before she decided she had enough done. Since it was so late I needed no urging to spend the rest of the night with her in bed. We retired as soon as she had cleared away her painting bits and pieces for a while night of sheer bliss. I don't know how many jumps we had that night but it was quite a few. We fucked and sucked each other happily until we finally fell asleep in the small hours of the morning. It was a rather shagged out John Frampton who turned up for work the next day but the exercise had been well worth the trouble. Even if my cock did feel as though it had been dragged through a mangle – backwards!

SCREWING

Fgm that day on Cheryl and I were lovers and we spent rather more time screwing in her house than we did posing naked on the dais for her class. If any of them thought anything about it they kept these thoughts to themselves. Not that Cheryl or I were much bothered in any case. As far as we were concerned they could think what they liked. It really was none of their business. Somehow, though, I suspected Sheila was more aware of what we were doing than the others. I came to this conclusion when one night when the class was over she asked Cheryl if she would paint her in the nude for her husband. Naturally Cheryl had no objections and a date was agreed.

On the appointed evening I arrived at Cheryl's house pretending I had forgotten all about the appointment Sheila had made. Bold as brass I strolled into the room where Sheila was posing, naked as the day she was born. She gave a little squeal and tried to cover her fanny with her hands when she saw me coming in. Her tiny boobs did not matter. They were almost painfully small though her nipples looked attractive enough. Seeing the way her hands were placed Cheryl laughed as she said, "Come on, Sheila. There's no need for such false modesty where John's concerned. After all you've seen him nude often enough and anyway you've got nothing that I haven't. God knows he's seen my snatch often enough."

LADY CAN'T SAY NO
VIBRATING PENIS
A viciously effective 'whip-hand' stimulator (available in black or white), as favoured by the ladies of the Brazilian aristocracy. Its unique snake-like action mercilessly activates the nerve endings of the vaginal orifice, nerves which are by-passed by the conventional vibrator (which is active only at the tip).
This unique action also stimulates the lubrication duct, and women who 'thought they knew themselves well' report a massive increase in fluid emission, after just a few moments alone with the Vibrating Penis. It is contoured according to the penis of a donkey (which has more pleasure-giving bumps and ridges than the human penis), but is sensibly proportioned at 7½ inches long. Until very recently, the Vibrating Penis was a black market item selling at £10 or more, but we are able to offer this brand new concept in female stimulation at the more reasonable price of £3.99 post free.
AVAILABLE IN BLACK OR WHITE
SEX BOOST CREAM
To be rubbed on the male penis before intercourse and on the female vagina. This cream lubricates AND intensifies the sexual pleasures of intercourse. GUARANTEED TO TURN ON ANY WOMAN, a real passion raiser! Would turn a nun into a nympho! £3 a jar.
SPECIAL OFFER: Lady Can't Say No Vibrating Penis AND SEX BOOST CREAM just £6.50.

"I know I've got the same as you but you've more of it," Sheila said somewhat wistfully. Cheryl however would have none of it and, as she could do little else seeing as how I was showing no signs of leaving, she uncovered her pussy and replaced her hands where I assumed she had had them before I made my entrance. Now I got a clear view of her glory hole. It was covered by a light down of tiny fair hairs through which her crack gleamed pinkly. If she had little to offer in the tit department she surely made up for it with having a gorgeous tight little cunt. She even smiled when I mentioned this attribute to her and took it as a compliment as far as I could see.

It was after the session was over that my suspicions about Sheila's knowledge of the affair Cheryl and I were having were confirmed. She said, "I envy you, Cheryl, getting poked by a tool like John's got. If I had the courage I might let him stuff me. But I can't do it. Maybe you could let me hold it though while you toss me off John. Would you do that?"

"It will be my pleasure, Sheila," I replied, whipping out my tool as I moved over to sit beside her on the couch. "Not only that but I'm sure Cheryl won't mind if you jerk me off as well."

"Of course not," Cheryl grinned before Sheila could say anything. "And don't worry if his spunk flies everywhere. We can soon clean up any mess it might make."

GROPED

This sexy sort of talk was giving me a hard, a process which Sheila completed by grasping my shaft down near my balls as she guided my hand to her fuzzy snatch. I placed one arm around her and, with her boobs being so small, easily cupped one entire breast in my palm. I could feel the nipple begin to fill and rise as I groped her pussy.

Sheila was a slow starter so that it took quite some time and alll he skill I had to get her to begin lubricating. Once her sex juices began their flow however there was no stopping her. She wriggled and squirmed on her bottom as my probing fingers poked further up her tight little quim. It took me a little time to find her clit but once I had located it I sent her into raptures by squeezing and pinching this tiny love button. Then, almost without warning she was gasping that she was nearly coming. At this I increased te speed and pressure of my finger-fucking while, to give her credit she flobbed my prick harder.

She hovered on the brink of her climax for quite a while but I knew it could only be a question of a few moments before hse blewher mind. In spite of the way she was wanking me I did not feel I was anywhere near spurting off my load but was not too upset by this fact. After all I would be fucking Cheryl later and would get my rocks off for sure before the night was out. However the same Cheryl had different ideas.

Either seeing or sensing my problem she came over to us and pulled one of her large tits out from her jumper. Bra-less the luscious orb was presented to my face in an open invitation to take the big hard teat in between my lips. Gladly I did so at the same time as I removed my hand from Sheila's breast and began to grope Cheryl's hairy fud as well. The feel of both twats and the aroma of their arousal was all I needed.

The result was all and more than any of us could ever have hoped for. With a scream that could have been heard on the other side of Perth Sheila erupted in a violent orgasm. Like a wild woman she threw herself all over the place, shouting and yelling, so that it was only the fact that I had my fingers stuffed up her cunt that prevented her from falling off the couch and crashing to the floor.

In the joyful throes of her climax she was holdong my tool as though it were in a vice. This did not stop her moving her hand faster up and down my stalk so that with the increased friction my spunk rose quickly to the surface. Through a mouthful of tit I groaned I was about to come off whereupon Cheryl worked her hairy mound harder against my palm. I could feel her hard erect clit rasping against the heel of my hand as I let it all come.

EXCITEMENT

With a great heave my cream jetted out from my cock end to splatter over Sheila's wanking hand and squirt across her naked thighs. As soon as she felt my warm liquid on her bare flesh Sheila went even more mad with excitement. Her heels drummed on the floor while her bum bounced faster on the seat with the force of the spasms roaring through her. Then, miraculously, Cheryl came off as well.

I heard her moan in ecstacy then her hands clutched my head to ram even more delicious tittie into my mouth. Although no actual fucking was taking place it was one of the most memorable comes I could remember. Our various peaks seemed to last for ages and none of us could have said who was first to reach complete satisfaction. Not that it mattered. The important thing was that we had all enjoyed the pure sexuality of the sensations we had felt in our three-way wank and had reached our satisfying orgasms as a result.

Sheila, who admitted she had never sucked a cock in her life, took a few tentative licks at the goo I had splattered over her fingers. We watched her intently and both Cheryl and I were delighted when she gaily announced she rather liked the taste.

"I think I may even suck Andrew's prick when I go home tonight," she said with a wistful smile. "D'you think he'd like that or would he think it dirty?"

"It's certainly not dirty as you put it!" Cheryl bristled. "I've yet to meet the man who does not enjoy being mouth-fucked especially when the girl swallows all his spunk. All you have to remember dear is to puff out your cheeks when you feel his knob really throbbing. That way you'll easily be able to take all he can fuck into your mouth. Just as a point of interest some people say that a diet of spunk helps to increase the size of your tits so you never know. All I will say is that I've been a confirmed cocksucker for years and look at my boobs. Anyway I'm certain both you and your Andrew will enjoy the experience."

CONVERT

With these reassuring words ringing in her ears Sheila dressed quickly then kissed both Cheryl and me before leaving. As soon as she had gone Cheryl said, "I think we've made a convert there, love. Did you see how she could hardly wait to rush home to take her mouth full of her man's cock? I only hope she enjoys it half as much as I do."

"I'm sure she will, sweetheart," I replied. "What do you want to do now?"

"What a stupid question," she grinned. "Let's both strip naked and see how quickly you can get another hard-on to fuck me with."

That did not take very long and we did!

LAS VEGAS STRIP

Introduction: Tom Brown is a newspaper reporter, and a little while ago he went to Las Vegas to cover a boxing match. While he was there he discovered a great deal about the sex scene in Vegas, and this is his story.

SEX SCENE

I wrote my report about the fight, then decided to stay in Las Vegas for a couple of days. I'd heard a lot about the sex scene there and wanted to see if what I'd heard was true.

I got the address of this brothel from a friend of mine and late on Saturday night I drove to this house on the outskirts of town.

The door was opened by this tall, red-headed woman. My eyes almost popped from my head when I saw her, for she was stark naked, and her jutting breasts and shaved pussy really turned me on.

I followed her into this little office and paid her the money she asked form then she told me to go into the main room and take my pick. I went through this door into a very large room and stopped dead in my tracks. Sitting round in chairs and on couches were about ten of the most fantastic looking women that I'd ever seen in my life.

I pointed to a girl who was wearing a blouse and skirt, and she smiled at me and took me upstairs into a very well furnished bedroom. She undressed me then did a striptease.

She slowly unbuttoned her blouse then slipped it from her shoulders. She was wearing a black lace bra that just about managed to contain her firm ripe breasts. She then reached behind her, unclipped the bra, and threw it onto the floor.

I gasped with pleasure at the sight of her naked breasts. They were firm, large, and tipped with these very erect pink nipples. Her skin was smooth and white, and her waist was very trim.

"Do you like my tits?" she asked.

"They're great," I managed to reply.

"Then watch this," she said. She ran her fingers over her nipples and they became really hard and in no time at all they were sticking out a good inch from her tits.

My prick started to jerk away, and she smiled, then she tweaked at her nipples with her fingers and said: "I hope you like sucking tit. I love to have my nipples sucked really hard. You will suck them hard for me, won't you?"

I nodded my head, and then I said: "Tell me, are you one of those girls who like to suck at their own tits?"

She nodded, and then to prove the point she placed both her hands under her right breast and lifted it up just as far as it would go, then she lowered her head, stuck out her little red tongue, and started to slurp away at her own nipple.

Then her head went down even further and she was able to take the whole of her nipple into her mouth. She sucked really hard on it, and then her whole body started to shiver and an orgasm ripped through her.

She allowed her tit to fall from her mouth and then she smiled at me. "Are you English?" she asked.

I nodded.

"I've never fucked with an Englishman

before," she said. "Tell you what. After we've fucked how about coming to the Pussy Club with me?"

"What's the Pussy Club?" I asked.

"It's a private club," she replied. "They put on live sex shows there. The hottest in America as a matter of fact, what do you say?"

"I'd like that a lot," I replied. "Now how about taking off the rest of your clothes and fucking?"

She smiled, then she moved her hands down to the zip in her skirt, and a few seconds later she was naked. She had shaved most of the hair from her pussy hole and the lips of her cunt seemed to be pouting out a good couple of inches from her mound.

SENSITIVE

"I do like the lips of my cunt," she whispered, and she started rubbing one of her fingers up and down the fleshy folds of her pussy hole. "My lips are very, very sensitive, and they get very wet very quickly."

She was dead right, for as she rubbed at her cunt lips with her fingers I could see her sticky come juice start to dribble down from her love tube. Soon her entire pussy hole was very wet indeed, and the scent of her juices filled the room.

She came over to the bed and flopped down beside me then she said: "I'm good at cock sucking, and I'm very good at screwing. What d'you want to do first?"

"I don't know," I told her. "I'll leave it to you."

She looked at my erect cock and smiled. "Tell you what," she said. "I'll suck you off, then we'll go to the club, and then afterwards you can fuck me any way you want."

That seemed like a great idea, so I stretched out on the bed and told her to go ahead. She then proceeded to give me the great cock sucking I'd ever experienced.

Most women grab hold of your cock and pull at it with their fingers. This girl didn't use her fingers. She did everything with her tongue, and it was amazing. She bent her head to my throbbing shaft and then she ran the tip of her tongue up and down it very slowly indeed. She went from my balls to my glans in little lapping movements and soon my prick was as hard as iron and all wet and sticky from her warm saliva.

FORESKIN

Then she used her lips to peel my foreskin back and expose the head of my very swollen glans. It was the first time a woman had ever peeled my foreskin back with her lips, and the thrill that shot through my body was fantastic.

As I said, she didn't use her hands on me at all, just her lips and her tongue, and it was the mark of a real expert. She couldn't have been more than twenty years old and I wondered where she had learnt such a marvellous technique. She licked at my shaft a little more and then the tip of her tongue started to flick and flutter over the head of my glans, and she even tried to get the tip of her tongue inside the slit in my glans.

Then she closed her soft warm lips over my knob and started tto suck very gently indeed. She applied one hell of a lot of suction with those lips of hers and for a moment my cock got so big that I thought it was going to explode.

Then her head went down just a little further and my glans touched the back of her throat. She was using her mouth as if it were her cunt hole, and really sucking and squeezing at me for all she was worth.

She was blowing in and out with her cheeks, squeezing with her throat muscles, and flicking at my glans with the tip of her tongue.

I saw that the lips of her pussy hole were pouting out more than ever, and that great trickling streams of her creamy cunt juice were dribbling out and running down her legs. Obviously she enjoyed her job, and sucking me off, and having my cock deep inside her mouth, was really turning her on.

Then her head started to bob up and down very quickly indeed, and every now and then the head of my swollen glans would bang against the inside of her cheeks.

Her eyes were wide with passion, her lips were warm and soft, her saliva was coating the whole of my shaft and glans, and her juices were roaring from her cunt hole in an ever increasing sticky stream.

Up and down went her head, and the blood started to pound through my body at a great rate of knots and I knew it wouldn't be long before I came.

She must have realised this as well, for she gave a great suck with that fantastic mouth of hers and the next thing that happened was that a gushing stream of hot sperm was jetting from my glans and powering itself into her mouth.

She sighed, and sucked some more, and then some more again, and she swallowed every last drop of my sperm down.

"Hell," she breathed and she licked her lips. "English sperm tastes just great." And with that she bent her head and licked at my limp cock for a few seconds and she managed to coax a few more drops of spunk from my glans, and she lapped this up and sucked it down.

She had given me a first class cock suck and at no time at all had she used her hands. I wish a few of the girls I know in England would learn to cock suck with such feeling.

SUCKING

"How about me sucking your cunt?" I asked her.

"Later," she replied. "Let's get dressed, go and see this show, then we'll fuck for the rest of the night."

She took me to this very private club and there she saw some of the best live acts in the world. One act had two women screwing each other with giant rubber dildos, and they spurted out juices all over the place.

Another act had this woman being screwed by two men at the same time, and I mean at the same time. One man was on top of her and the other man underneath her, and they both had their cocks inside her cunt hole. Don't ask me how she managed it, all I know is that she did.

We saw a few more acts, and then the girl took me back to her flat. Once more she gave me a very slow and very sexy striptease, and then she undressed me.

We got onto the bed and she stretched out and opened her legs, then she pointed down at her beautiful pussy hole and told me to get to work.

I didn't need asking twice. I went down on her and rubbed the tip of my tongue all over the crinkled fleshy hole of her cunt lips. Her thick juices trickled into my mouth and they tasted just fine. They were slightly bitter and very hot, and that is just how I like them to be.

The fleshy lips of her cunt felt great on my tongue, and as I lapped away she started to have a very intense series of orgasms, and this made her juices spurt out like a waterfall, till my while face was wet and sticky with them.

Then I used my hands to part the lips of her pussy hole, and as I did so a great stream of hot cunt juice showered out. I bent my head down there and looked inside, and it just had to be one of the best looking cunts I've ever had the pleasure to gaze into.

The inside of that cunt was all pink ribbed flesh, flesh that was wet and very sticky. I pressed my face closer to that wide open gaping quim and I could see right to the top of her love tube, and I could watch her juices forming and bubbling away like mad.

I then moved my fingers again and this caused her clit to jump up into view. Now I've seen a great many clits in my life, but this just had to be the biggest. It was a good half inch long and throbbing away like mad. It was also coated with her creamy come juice. I wished I had a camera there with me at that moment, for it would have made a great centre fold spread for this magazine.

CLIMAX

I just had to take that fantastic clit in my mouth and suck on it, and as I did so she gave a great scream of delight and climaxed on the spot, and not only did she climax, that clit of hers doubled in size till it was like a miniature prick, and that made it very easy for me to suck and slurp away at it and give her even more orgasms.

I then pulled her cunt hole open even wider with my fingers and then pushed the full length of my tongue into that juice filled tube. She yelled and writhed about all over the bed and I flicked my tongue over her fleshy ribbed walls.

Those walls rasped beneath my tongue and her thick streaming juices flowed out in ever increasing streams of sticky liquid. I sucked them up and swallowed them down, and then I shoved my tongue really deep into that cunt of hers, so deep in fact that my lips and nose went inside her as well.

She loved that she really did, and her scream of sheer animal lust vibrated round the room, and her hands came down and clasped at the back of my head as she tried to push me even deeper.

I just had to come up for air, then I looked at her and said: "Do you like the taste of your own come?"

She nodded her head, so I pushed three fingers into her wet pussy hole and covered them with sticky juice. After I had pulled my fingers from that hole of hers she licked them dry with her fingers.

I then spread some of her creamy cunt juice all over her tits and nipples, and I told her to lick them dry. She smiled and said that it was something she hadn't done before. But she lifted her tits up with her hands and then used her tongue to lick her own cunt juices from her nipples and breasts.

My prick was now ready to explode and I was dying to get it stuck into that love tube of hers, so I climbed on top of her and shoved the full length of my prick into her tight cunt.

As my throbbing weapon went deep into her, she screamed and yelled and her juices came out like Niagra Falls. She almost passed out with the pleasure of it all, and her strong muscles clamped down on my shaft and almost squeezed me in half.

I powered away inside her just as hard as I could and every now and then the head of my glans touched the opening to her womb and you should have heard the yell of delight that came from her lips.

I was giving her real deep thrusts and great slurping sounds were coming from deep inside her cunt as her juices bubbled away and stuck to my shaft.

She had now clamped her long legs down round the small of my back and her fingers were playing with the cheeks of my bum. Thrills of great pleasure were rippling through every nerve in my naked body, and I stretched out flat on her and crushed her firm jutting breasts beneath my hairy chest.

She was writhing and twisting and her hips and bum were going up and down like the clappers. Sweat dripped from her face and her eyes were aflame with naked lust and desire.

The walls of her cunt hole were tight round my shaft as I went in and out of her like the clappers. Then she came, and her climax raced through her throbbing naked flesh like an express train. She groaned and yelled and twisted and writhed and great gushing spouts of thick sticky juice splattered from her cunt hole and went all over my balls.

PUSSY HOLE

And a few seconds later I came as well, and I filled her pussy hole full to the brim with hot showering sperm. My spunk blasted out of me like a geyser and she yelled out loud again as she felt it flood into her tight little cunt.

She twisted her hips and bum and squeezed with her cunt muscles as my ejaculating cock and I shot out more sperm than I had ever done before.

Her fingers dug hard into the cheeks of my bum and she raised her hips high in the air as she tried to get my spurting cock even deeper into her. She obviously wanted every single part of her cunt hole covered in spunk, and I did my best to oblige her.

I then pulled my cock from her quim hole and wiped it dry on her flat taut stomach, then I looked at her gaping puffed out quim lips and saw that a steady thick stream of my hot spunk was dribbling out. It was a very nice sight to see my sperm sticking and clinging to her warm soft flesh.

"You English fuck real good," she said. "I thought your cock was going to split me in half the way you went into me. Hell, I've never been so full up with hot spunk in my life. You came enough for ten men there."

I looked down at my limp cock and I must admit that I was very pleased with myself, very pleased indeed. She then smiled at me and asked me if I had ever made it with two girls at the same time, and when I told her I hadn't, she smiled again and then reached out for the phone.

She made a quick call, put the phone down, then turned to me and said: "I've just phoned up a girl called Kate, she's a dancer at one of the hotels in Vegas. She doesn't normally go in for the hooker bit, but when I told her what a fantastic cock you've got she said she'd come over right away."

"Fine," I said. "Kate will be more than welcome, but you haven't even told me your name yet."

"I'm called Babs," she said, and then she leant her head down and started to use the tip of her tongue on my limp cock.

By the time Kate turned up at the flat my cock was rock hard again. Kate turned out to be a tall blonde girl with the most fantastic pair of large firm tits that I had ever seen in my life. She took one look at my cock, took off her clothes, and joined us on the bed.

I was feeling just a little tired, so I told them to screw with each other and that I would join in when I was ready.

That suited them just fine, and they kissed each other on the mouth for a little while, and they they got into the 69 position. I watched with sheer delight as I saw Babs tongue go deep into Kate's quim hole, and I also watched as Kate shoved her tongue into Babs tight cunt hole.

They slurped away at each other for some time and drank down each other's flowing creamy cunt juices. They gave each other orgasm after orgasm, and they they rolled over, disengaged, and invited me to join them.

I started to lick and suck at Kate's wonderful tits. I took her right nipple into my mouth and sucked on it, and while I was working away on her right tit, Babs leant over and started to slurp away at Kate's left tit and erect nipple.

With two people working away on her tits like that, Kate soon had an orgasm, and her pussy juices showered out and went all over the sheets on the bed.

I then told the two girls to stretch out side by side, which they did, and then I climbed on top of Kate and shoved my cock deep into her cunt hole.

Kate yelled with pleasure as my throbbing cock went deep into her pussy hole and she jerked her hips up and down and had an orgasm after only three thrusts of my penis.

I then pulled my cock from her quim, moved up to her face, and she licked herown pussy juices from it, then I moved over to Babs, climbed on top of her naked body and pushed my penis deep into her cunt. She also had an orgasm as my cock piled deep into her juicy pussy hole.

I gave her a full dozen deep strokes then I pulled my massive throbbing cock from her quim, allowed her to suck it dry, then I moved back to Kate. I rubbed my glans up and down her quim for a few seconds, and then I pushed it deep into her love tube and hammered away there for about a minute.

Kate writhed and grasped under me and her fingers played with my balls and bum, then I pulled it from her cunt and this time I allowed Babs the pleasure of sucking Kate's juices from my cock, and then I pushed it into Babs pussy hole and fucked her for a good ten minutes.

This went on and on for a very long time. I was having one of my dreams come true, I was screwing two women at the same time, well almost at the same time.

Both Babs and Kate were begging for me to shoot my spunk out into their respective pussy holes, but I told them they would have to take pot luck.

HAMMERING

In the end it was Kate who was the lucky one. I was hammering away deep inside her quim with my swollen glans, when all of a sudden she gave this terrific squeeze with her vaginal muscles on my shaft, and at the same time she slipped her hands down and tugged on my balls.

I shouted loud, my cock jerked like mad, and a huge spouting bubbling stream of hot spunk jetted into her from my erupting glans.

Kate yelled out loud and had a massive orgasm, as my sperm blasted into her, and Babs looked a little fed up that she hadn't got my sperm inside her.

Not that Babs lost out, for as soon as I had removed my limp cock from Kate's quim hole, Babs moved over and used her flickering tongue to lick and slurp the sperm from Kate's cunt hole.

It was a very nice thing to see. Babs' tongue kept kept going into the other girl's cunt, and when she pulled it out that darting tongue of hers was covered in my thick sperm. Babs kept licking and sucking away like that until there wasn't a single drop of spunk left inside the other girl's juicy quim hole.

Then, while I was resting, Kate pushed a dildo deep into Babs's pussy hole and wanked her off with it, and at the same time Babs was using her fingers inside Kate's quim.

This went on all night, and by the time the hot sun came over the desert town of Las Vegas, I was shattered. I managed to crawl back to my hotel and catch a few hours sleep.

Then I had a shower, got dressed and tried to figure out what else to do. I had seen a sex show, been screwed by a hooker and a dancer, which might have been enough for most men, but I wanted to see if there was any other form of sex in Vegas.

MASSAGE

I found it in a massage parlour on the other side of town. The girl who gave me the massage was naked and had a perfect figure.

She poured some oil onto my back and then gave me a really gentle massage, and as her hands touched and probed at the cheeks of my bum, I got a massive hard on. I then turned over and she took one look at my cock and a great big smile came over her face. She then poured some oil onto my stiff prick and gave me a really first class hand job.

Now usually I don't like hand jobs, I much prefer to have my cock in a woman's cunt, or even her mouth, but this girl was really good at giving me one off the wrist, and it wasn't long before my hot sperm was bubbling out from my prick and running down my balls.

She then leant her head down and licked and sucked the sperm from my cock and balls.

That only put me in the mood for more sex, and I wandered round Vegas to see what else it had to offer. I soon found it in the shape of a very young girl who was in the foyer of my hotel. She had a very slim figure.

I took her up to my room and undressed her. She looked fantastic. She had small budding breasts and a nice thick bush of hair between her legs. She looked younger than her age, but she showed me identity cards to prove that she was the age she said.

She may have been young but she knew every trick in the book, and then some. She sucked and licked at my cock and then swallowed my sperm down, then she wanked herself off with her fingers and licked her own juices from her fingers afterwards, then she sat down on my face while I sucked her out, and then she got on top of me and rode me to a first class climax.

Later that evening I went out on the town and gambled a few quid at the roulette tables, and then, around midnight, I ran into Kate again. She had finished her show at the hotel, and she suggested that we go back to her flat. She said that English cock seemed to agree with her.

UNDRESSED

We quickly undressed in her bedroom and then I did something that I had been dying to do for ages. I knelt by the side of her face and then wanked myself off with my right hand and allowed my hot spurting spunk to go all over her face.

That lovely face of hers looked a real treat with all my sperm swimming all over it, and just having it there gave her an orgasm. In the end she wiped the sperm from her face with her fingers and then sucked at her fingers with her tongue and lips, then as my sperm trickled down her throat she had another orgasm.

After that we went at it like a couple of sex crazed animals, and by the time we had finished the whole bed was a soggy mess of sperm and love juices.

Afterwards we had a shower together and then she dried me off, but she didn't use a towel, no she used her tongue, and that lovely rasping tongue of hers went over, and into, every single part of my naked body, and I found the whole experience fantastic.

PLUNGED

Then we got back onto the bed and I plunged my cock deep into her wet cunt. This was going to be my last fuck before I left town and I wanted to make sure that it was a good one, and it was.

I filled her cunt up with hot sperm and she had a really amazing series of orgasms, then she pushed her fingers into her cunt hole, pulled out my sperm and then licked at her fingers with her tongue.

It seems to me that all the girls I had come across in Vegas liked doing that, they all loved taking sperm from their cunt holes with their fingers and then sucking at their fingers with their mouths. I just wish that a few more English girls would follow their example, I wish that some of the girls in the U.K. could be as sexy as the girls I found in Vegas.

There they just love the taste of hot sperm and they will take it anyway they can get it. So as far as I'm concerned I'm going back to Las Vegas just as soon as I can and when I get there I'm going to find Kate and Babs and screw them until I pass out.

SPECIAL PRESENTATION FOR A SEASON FROM JULY 5th AT THE STUDIO CINEMA
BLACKPOOL

MR. WHITE

Although Penny had noticed the man with the fawn raincoat since he first joined the library, the only indication that he had ever once been in the least aware of her blonde charms was the day he brought his books back a week overdue: he had actually looked her in the eye as he groped for the money to pay the fine, and the young librarian had seen that he was – yes – exceptionally handsome.

A PERSONAL EXPERIENCE

She supposed him to be in his late twenties or thereabouts; but being a true romantic at heart, she was content for there to be a certain air of mystery surrounding factual details, and even when she looked at his card-holder in the wooden box on her desk, to see that he was called Mr. E. G. White and lived on the south side of the small provincial town meant nothing to her. After all, what mattered in her eyes was that he was very good-looking and totally oblivious of her existence, and while that might have been good enough for Sandra or Daphne, the two other women who worked alongside her, Penny knew she was deserving of better attention.

At the age of eighteen she was half-way through her first year in the public library service. If everything had gone right in her last year at the local comprehensive, she ought now to be enjoying the life of an undergraduate at one of the universities in the Midlands, but she had failed to meet the required grades in her A-levels, and rather than go back to school and retake her exams, especially when so many of her contemporaries had already found niches for themselves in work or study, she'd decided to take a librarian's course. In this enterprise she'd been encouraged not only by her family, who were willing to agree to almost anything to make up for the disappointment of not having their daughter at University, but also by her old school-chum Sandra, a pretty redhead of the same age who had gone straight on from O-levels, and therefore felt entitled to regard Penny with a certain amount of condescension.

"It isn't as if you got more boys by staying on at school," she was fond of saying to her friend during quiet spells. "Look at me: since I left school I've been working steadily, I've had two continental holidays and I've got a smashing boyfriend... By the way, Pen – have you heard from Tony at all?"

Now this last remark was cruel, and Sandra knew it. Her own boyfriend was indeed 'smashing', although rather on the dull side when it came to conversation, and she well knew that he wasn't a patch on the afore-mentioned Tony when it came to sheer physical presence. Tony had been Penny's regular date for the last few months of her school career, and an instrumental cause of her failure to study properly for the final exams, so in a way he could be said to be a direct reason for her joining the library in the first place. A tall dark and athletic sixthformer from a local grammar school, he'd captivated Penny from the start, and in the space of a fortnight she'd managed to do what she would always have condemned any other girl in the world for so much as *considering:* she had firmly, clinically and irrevocably prised him away from his steady girlfriend and then invited him home on the afternoon when she knew her parents would both be out...

And it so happened that at the very instant when the man in the fawn raincoat came in with his overdue books (an unusual lapse, she knew) the pretty young girl had been in a cosy, though somewhat painful, reverie on the very subject of her lost love and the first time she'd ever got him to bed.

"THE YOUNG MAN SAT ON THE EDGE OF THE BED WONDERING IF HE WAS DREAMING..."

mouth, or so it seemed! There was no longer the slightest shadow of doubt in her mind about what would now follow, and as she tenderly scooped out Tony's testicles as if they were delicate eggs, Penny saw with considerable satisfaction that a tiny drop of clear fluid had squeezed out onto the slit at the pointed end of his knob.

The young man sat on the edge of the bed wondering if he was dreaming, all thought of the girlfriend he was supposed to be seeing that very evening banished from his mind as the presence of the fluffy blonde in the thin pullover fired his senses. Penny seemed deliberately to be delaying the moment she knew must surely come when she would have to take him in the mouth; he was experienced enough to know that very few girls in town were capable of resisting the allure of his splendid cock, almost as if the very sight of its finely shaped protruberance was enough to bring the most deeply hidden maternal instinct to the surface and cause young ladies to suck him off automatically. So why was she gently retracting the last half inch of his foreskin, gazing down at the prick with that same wonderful expression? He knew she was no virgin (although there was no way he could possibly be prepared for the girl's sexual expertise) and wondered for a fleeting instant if she might perhaps be on the point of extracting some favour from him before plunging her lips over that throbbing, sticky knob-end. In later weeks, this served to put him on his guard, and made her ultimate conquest of him that much more dubious, but for the time being he simply sat and held on to her shoulders while she appeared to be making up her mind as to the next course of action.

Suddenly the fluffy blonde head dropped between his thighs – he felt her breath hot on his balls, and then the tip of her tongue darted out and licked up the outside of the shaft, beginning at the strip of flesh which joins the ballsack to the main organ, and working slowlv upward, digging into the swollen vein on the outer wall of the throbbing barrel while her thumb and forefinger firmly enclosed the circumference of the rigid root and gently, tenderly wanked him. Maybe it should be surprising to learn that Tony regarded this activity as particularly subtle, that he had never experienced such open, naked sensuality in his entire career as the most eligible in town, but the fact remains that from that first joint assault with tongue and fingers, he was introduced to a new world of passion. For him, sex had always been a matter of getting what he wanted from girls and trying to keep them happy at the same time, and the possibility that it could be so languid, so expressive, so prolonged as this heavenly mouth and hand job he was getting from Penny – none of this had ever entered his mind. Instead of the brisk, vigorous approach which had always gone so well with his sporting prowess, he now felt himself being sucked down into a deep pool of infinite possibility, capable of refinement and augmentation beyond his wildest dreams.

Penny was aware of the reaction he was experiencing, not only from the occasional involuntary jerk which his knees made from time to time as she worked on his cock, but also from the steady flood of lubricating fluid which she was having to lap from the trembling head of his prick. Once the whole thing recoiled heavily as if about to send his spunk flying into her face, and Penny opened her mouth wide in preparation for the event, but it was just a stray muscular contraction – an empty threat – and she was soon able to return to her task as before. By now her fingers were rolling his balls around as if they were soft pastry which she was kneading delicately into shape, and her clever tongue was worming its way along the groove which runs between glans and shaft, the tip squirming into the most sensitive places on Tony's entire body while he held his breath and clutched at her shoulders, hardly daring even to hold her tits for fear of precipitating his spunk-up by the mere contact of warm smooth breast-flesh.

For a while the sexy blonde left off licking his cock's collar and her tongue pointed itself wickedly at the weeping slit in the end of the head and tried to bury itself in it, making the sexual flesh flatten under-repeated assaults. This was simply too much for the youth's self-control and after a few seconds Penny found herself having to grab a firm hold of the barrel in order to keep it from lurching around out of range of her wicked tongue-tip, and of course the pressure on his shaft, combined with the wiggling of that insistent tongue, made Tony utter a low grunt from somewhere deep in his manly chest, and a thick dribble of sperm gushed from his knob and ran into Penny's waiting lips. At that instant she knew she had about half a second to prepare for his main spunk-up, and in that space of time she moved with almost unbelievable rapidity, raising both hands to grab those of the boy she was gobbling, and thrusting them under her pullover to make him feel for the first time the generous sensuality of her lovely tits, while she sank her pursed lips hard over the business end of his cock and caught the full force of his ejaculation in the back of her throat.

This was of course by no means the first time the blonde had sucked a boy to completion and sucked hard at the crucial moment, but the sheer power of Tony's spunk-up took her by surprise, as his jissom rocketed out of the wildly jerking head of his tool and filled her gullet with rich creamy come. She had to start swallowing immediately, abandoning her original intention of sinking her lips until his knob-end was lodged in the back of her mouth – the whole thing was threshing around so violently that she had her work cut out anticipating the next strong muscular contraction in order not to let her jaw be dislocated! For his part, Tony felt almost on the point of collapse, directly aware of the luscious weight of her trembling bristols in his hands, the firm stiff nipples rasping into the palms, her breathing come hard and fast as she struggled to drink his spunk, and the sensation of shooting off into a girl's mouth was stronger than he had ever known before, each powerful ejaculation sending a positive explosion of electricity up from his loins as he moaned and grabbed her knockers and emptied his balls down her greedy throat.

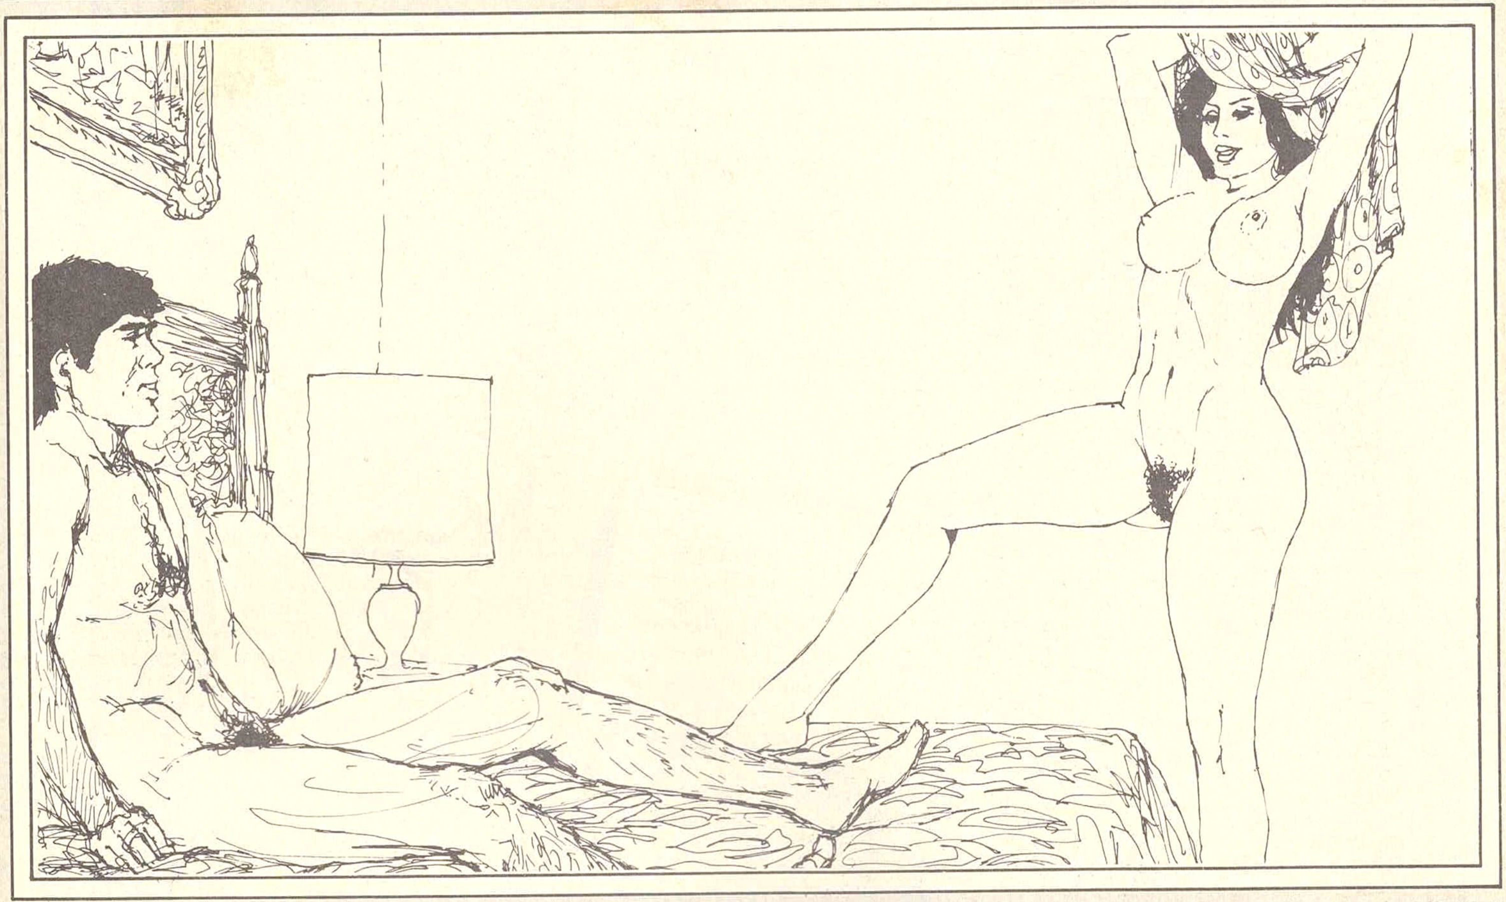
Film fans who like really beautiful birds in luxurious, 'up-market' situations should not miss out on THE PLAYBIRDS, this is a really great thriller which is showing now all over Britain (see page 3 for some of the playdates). This is a film for ADULTS ONLY as it's very naughty, but it's extremely well made, so that it will appeal to most people – the storyline is superb!



PUSSY LiCKiNG TiME

Introduction: Peter had one great passion in life, and that was pushing his tongue into a juicy pussy hole. He would do anything, anything at all, to be able to get his tongue inside a nice juicy pussy.

PLEASURE

Peter sighed with pleasure as he watched Sandra take off her clothes. He had picked her up at a dance earlier that evening and talked her into coming back to his flat. Now they were in his bedroom and she was slowly taking off her clothes. She was a lovely woman, about twenty years old, with long brown hair and a lovely brown pair of eyes.

He sighed again when she unclipped her bra and revealed firm ripe breasts tipped with stiff pink nipples. He then almost fell off the edge of the bed in delight when she peeled off her thin panties and he saw her pussy. She had shaved off most of her pubic hair and the fleshy folds of her cunt lips pouted out all over the place, and what pleased him even more was the fact that those cunt lips were already sticky and damp. She must have had a lot of juice inside her, and that was how he liked it. He just loved juicy pussy holes.

Sandra walked over to the bed and stretched out, she was feeling very excited, for Peter had the biggest cock that she had ever seen in her life. It was thick and throbbing and she could hardly wait to get it inside her love tube.

"Do you mind if I suck you off first?" asked Peter.

"I wish you would," she replied, "I haven't had a tongue inside my pussy hole for days."

"Then you're in luck," said Peter, a smile breaking out over his face. "For I'm the best pussy sucker in the business. Just stretch out, relax, and I'll give you the time of your life."

Sandra smiled, she had heard that before, she knew that most men just shoved their tongues into her cunt, wriggled it around for a few seconds and called that a tongue fuck. As it turned out she had the time of her life, for Peter gave her the best sucking out she'd ever experienced.

He looked down at the fleshy folds of her pussy lips and his prick jerked and throbbed more than ever. He could see thick trickles of cunt juice dribbling from those lips, and he licked his lips and then got between her legs.

He ran the tip of his tongue very gently up and down her pussy lips, and Sandra sighed with delight. She knew from that very first touch that he really did know what he was doing.

Peter rubbed his tongue up and down those cunt lips of hers for some time, and her juices started to stream out. He swallowed some of them down and found that she tasted very hot and very musky, and that was just the way he liked it.

He used his fingers and softly parted those cunt lips of hers, and then he looked inside her. He loved looking inside a female quim, to him it was one of the very best sexual sights in the world. He looked deep into her love tube, he saw her thick juices bubbling about all over the place and he saw the fleshy folds of pink ribbed skin. He also saw her clit standing to attention and this made his cock jerk like mad again, for it was the biggest clit that he had ever seen.

THROBBING

That clit of hers was a good inch long, it was covered and coated with thick creamy cunt juice, and it was throbbing away like mad.

He opened his mouth and took that amazing clit between his lips and started to suck very gently on it. She shivered with passion and had an orgasm as he continued to suck and slurp at that erect tissue. More and more of her juices dribbled into his mouth and he swallowed them down and then went back for more. He thought that she had the sweetest tasting quim that he had ever come across.

He then pulled her cunt lips open even wider with his fingers, and her hot juices spurted out over his face. He loved that, he loved to have his face sticky and wet from female juices.

He then plunged the full length of his darting tongue into that wide open juice filled quim, and she shouted with pleasure and another orgasm powered its way through her lovely naked body.

Peter was having a great time, he was running the tip of his tongue all over the delicate walls of her pussy hole and swallowing down her thick juices just as fast as he could. And those juices really blasted out, he had never known anything like it. The more he sucked and swallowed, the more she produced, and soon that thick creamy cunt juice was dribbling from the corners of his mouth and running down his chin.

Sandra was also having a great time, she lost count of the number of orgasms she had as that tongue of his went deeper and deeper into her pussy hole. She reached out and placed her hands on the back of his head and tried to force him even deeper into her.

Peter then rolled the tip of his tongue in a circular motion all round the delicate ribbed walls of her cunt hole, and that clit of hers throbbed and vibrated and sent huge spasms of delight coursing through her lovely naked form.

VIBRATE

Peter then rubbed at her clit with his fingers and at the same time went even deeper into her with his probing darting tongue. He could feel the walls of her cunt hole vibrate beneath his tongue and her thick juices became even hotter and flowed out into his mouth in a great gushing stream. She was one of the juiciest women he had ever known, and he could have swallowed down those thick juices for hours on end.

He took her clit between his lips again and sucked harder on this time, and Sandra almost passed out with the pleasure of it all. She was writhing and twisting about all over the bed and her right hand was pulling and tweaking at her breasts and nipples. Peter was having one hell of a job keeping his tongue inside her cunt, and her juices were spurting out all over the place. He pulled her cunt lips open even wider with his fingers and then pushed his tongue to the very depths of her pussy hole.

Sandra was amazed, she had never known that a tongue could get that far in, she decided that Peter had the longest tongue in the business, not that she was complaining. She was pleased that he was able to go that far in, and the tip of his tongue was touching places inside her cunt hole that had previously only been touched by the hard swollen glans of a prick.

She was having climax after climax as he sucked and slurped down her running juices, and he was enjoying himself with the juiciest cunt he had ever sucked out.

He sucked and licked at her gaping wide pussy hole for almost half an hour, and at the end of that time his face and chest was covered in her juices, and she was sweating and moaning and crying out with sheer animal lust.

Then Peter raised his head from that lovely cunt. He looked at her and said: "Do you like the taste of your own pussy juices, Sandra?"

"Yes, very much indeed," she replied.

"Then you can suck all your juices from my face and chest," he said, and then he stretched out on the bed.

Sandra bent over him, she could see her thick cunt juices clinging to every part of his face and coating the hairs on his chest. She lowered her head and used the tip of her tongue to lick him dry, and as her own juices dribbled down her throat she had one hell of a fantastic orgasm. In fact she liked it so much thay she got him to push his fingers back into her cunt hole and move them around inside her.

When he pulled his fingers from her quim, they were all wet and sticky, and she took them deep into her mouth and sucked and licked them dry, then she had yet another orgasm, and more thick creamy cunt juice dribbled out from her pussy lips and soaked into the sheets on the bed.

"I want to suck your cock now," she whispered.

"In a minute," said Peter, and he plunged his tongue back into that juicy cunt hole of hers and started to suck her off all over again.

He loved sucking pussy holes, he really did, and this time he rasped the tip of his tongue over every single part of her pussy, and at the same time he used his lips to brush against her clit.

Sandra thought that her whole body was going to explode at any second, so great and fantastic were the orgasms she was having.

At last, Peter pulled his head away and then he lay back on the bed, his prick sticking hard from his body.

"Fine, you can suck my cock now, but make sure you swallow my sperm down afterwards."

Sandra smiled, she reached out and ran her fingers up and odown his throbbing shaft, and then she said: "Of course I'll swallow your sperm, after all you've given me so much pleasure it is only right that I should do that for you."

She then used her fingers and pulled his foreskin all the way back and she was amazed at the size of his huge swollen glans. She would have much preferred to get that huge cock inside her pussy hole, but she remembered that he had given her an amazing number of fantastic orgasms, and that it would only be right for her to suck him off, after all, she could always get that lovely thick cock into her cunt hole at a later date.

She lowered her head and then brushed the tip of her tongue all over the hard swollen skin of his glans, and then she lowered her head just a little more, took his glans all the way into the back of her mouth, and she then started to suck just as hard as she could.

Peter had become very worked up while sucking her out, and it didn't take long before his cock was jerking away like mad inside her mouth.

Sandra sucked and slurped and played with his balls, then all of a sudden that massive prick of his convulsed inside her mouth, and then a great showering gushing stream of hot spunk blasted from the end of his cock.

Sandra gasped and moaned with joy as that heavy shower of hot sperm jetted into her mouth. She swallowed it down just as fast as she could and found that it was very hot and very salty. As that thick sperm trickled down her throat she started to have a massive orgasm, and her juices spurted and flowed from her cunt hole once more.

LICKED

She sucked and licked away until she had taken down every last drop of sperm, and then she rolled over on her back and opened her legs just as wide as they would go.

Peter again dived between her legs, and once more he took her clit into his mouth and sucked hard on it, then he pushed his tongue deep into her cunt tube and sucked her out all over again.

Her juices were still flowing as thickly as ever and he swallowed them down and then went back for more, and more, and even more.

Sandra had another series of lovely orgasms, and then she pulled his face away from her pussy hole and said that she was exhausted.

Peter asked her if she had ever sucked out another woman's pussy hole, and she said that she had. It had been six months earlier when she had had her first bisexual encounter, and she said that she really enjoyed plunging her tongue into another woman's cunt hole. She said she could still remember the slightly bitter taste of the other girl's bubbling cunt juices, and just talking about that experience gave Sandra a climax.

Peter liked hearing women talking about sex, but he liked sucking them out even more, so he told Sandra to get into the 69 position, with her on top, and while she sucked at his very limp cock, he plunged his flickering tongue deep into her juice-filled cunt hole and fucked her out all over again.

Sandra sucked at his limp cock until it got hard and then she insisted that he fuck her for real. Peter didn't mind that at all, he always fucked them after he had sucked them, so he rolled her over on her back and then got between her long shapely legs.

He rubbed his hard glans up and down her puffed out pussy lips for a long while and her juices spurted out all over his balls. He loved the feel of that hot sticky juice flowing out like that, and he continued to rub until his balls were soaking wet.

LOVE TUBE

Then he slowly eased his thick throbbing cock deep into her cunt hole, so deep that the head of his cock touched the very end of her love tube, then he started to slam in and out just as fast as he could, and he sighed with pleasure when he felt her hot juices bubbling and boiling round his shaft.

His sticky wet balls banged into her soft flesh of her upper thighs as he hammered away with his huge massive throbbing prick, and that glans of his scraped all over her delicate internal walls.

Sandra was writhing and twisting about and screaming her head off with emotion and sheer lust, and her legs were clamped round his back and her cunt muscles were squeezing hard at his cock.

He stretched out on top of her and felt the hard points of her very erect nipples press into his flesh, and he shafted her with deep long thrusts and felt her juices boil and stream from her crinkled cunt lips.

Then he shouted out loud, and she yelled as well, as his prick exploded in a torrent of heaving gushing foaming spunk. That spunk seemed to jet from his cock for ages, and it filled her right the way up and mingled with her own sticky cunt juices deep inside her pussy hole.

Peter banged away inside her until his cock went limp and it slipped from her cunt, and then he moved up her body and got her to place his limp cock in her mouth where she sucked it dry for him.

Then he went down to her cunt again and he used his fingers to part those crinkled lips and then he looked inside her at all her juices bubbling about and mingling with his hot sperm.

SWALLOWED

Sandra smiled, then she reached down and pushed a finger into her slurping cunt hole, she pulled out a great amount of that mixture on her finger and then she slowly raised that coated finger to her mouth.

Peter watched in wonder as she placed her finger in her mouth and sucked it dry. He had seen women suck their own juice before, he had seen women lap up sperm before, but this was the first time that he had ever seen a woman suck up a mixture of the two.

As Sandra swallowed that mixture of sperm and cunt juice down, she shivered, then she sighed, and an orgasm went through her. Then she smiled again and pushed her finger back into her pussy hole. She pulled some more of that lovely mixture out on the tip of her fingers, and then

she sucked it clean with her mouth. In fact she did this over and over again until there wasn't a single drop of sperm left inside her pussy hole.

Peter was amazed, amazed and delighted. He plunged his head down between her long legs and once again his tongue started to lick and suck at her warm sticky cunt hole. He slurped up her juices, nibbled at her clit, sucked her crinkled sex lips, and gave her orgasm after orgasm.

Then he filled his mouth full of her sticky cunt juices, moved slowly up her throbbing naked body, and then kissed her on the lips.

She sighed and moaned as he allowed her juices to dribble from his lips and go into her mouth, and she sighed even more as she swallowed her own juices down.

Then he went back and pushed his tongue deep into her quim once again. Peter could never get enough of female pussy juice. He loved wide open gaping cuntholes, and he loved the thick creamy pussy juice that came out of them.

Sandra also liked being sucked out, she loved to feel the tip of his tongue moving slowly over her ribbed cunt walls, and she also liked the taste of her own juices, and Peter decided that it was about time she sucked down her own juices in a different way.

He looked round the bedroom and then he smiled when he saw a candle on the bedside table, he picked it up, handed it to her, and then asked her to wank herself off with it.

Sandra was pleased to do just that, she loved it when a man watched her wank herself. She took hold of that candle and wasted no time at all in pushing it deep into her cunt tube, she pushed it all the way in, and then started to plunge it in and out just as fast as she could.

SLURPING

Great slurping noises came from deep inside her pussy hole as that candle forced it way in against her juices, and then great streams of thick creamy bubbling juice started to drip from her crinkled quim lips. Peter reached out and wiped some of that juice up with his fingers, then he placed his fingers in his mouth and licked them dry.

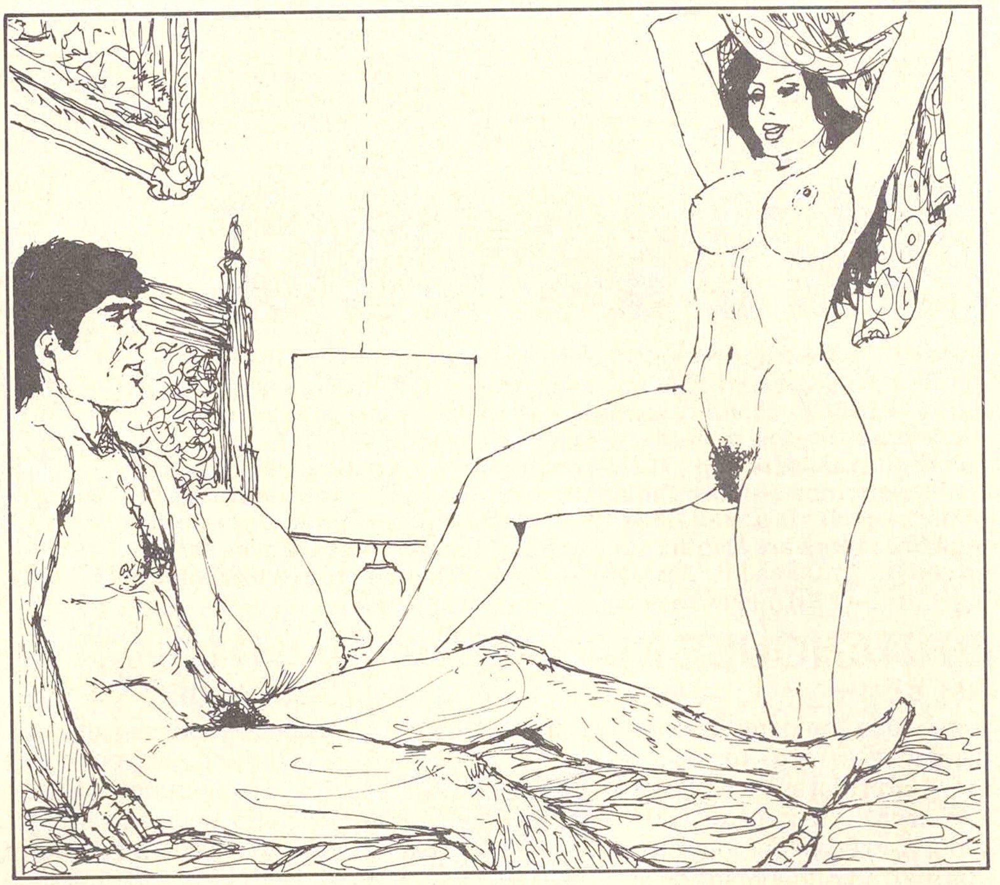
Sandra was bringing herself to orgasm after orgasm as she pushed that thick wax stick in and out of her pussy hole. She was using her right hand to hold the candle and with her left hand she was playing with her tits and nipples.

Peter bent over her and started to run the tip of his tongue all over her flat stomach, and she shivered with delight as he left a trail of wet saliva over her taut flesh.

Then she pulled the candle from her cunt lips and held it up, they could both see her sticky juices clinging to the wax shaft. Sandra smiled then she put out her tongue and started to lick her own juices from it.

Peter watched her and the scent of that juice drifted into his nostrils and it made him crave for more of the stuff, so once again he pulled her cunt lips wide open with his fingers and pushed the full length of his tongue deep into that juice filled pussy hole.

She yelled with pleasure and passion as she felt him slurping away inside her, and she twisted round slightly and then reached out and started to run her fingers up and down his limp cock.



That prick of his didn't stay limp for long, it slowly grew harder and harder in her fingers, until it was throbbing away like mad, then she started to wank him off. She pulled his foreskin up and down as fast as she could, and then she cradled his balls with her other hand and pulled and tugged at them to make his prick become even harder and more throbbing.

Peter, meanwhile, was having the time of his life. He was slurping down her lovely sticky juices just as fast as he could, but no matter how fast he swallowed them down she was always able to produce more and more. In the end he just had to come up for air, and he watched as she pulled at his cock and fondled at his balls.

Then he came, and as his spunk jetted from his cock she moved her head down so that his sperm went all over her face. She had a very lovely orgasm as that bubbling spunk splattered over her nose and went into her eyes, and this caused her juices to spurt out once again from her pussy lips.

Peter reached out and wiped his own sperm from her face with his fingers, then he placed his fingers in her mouth and she sucked them dry for him, then she sucked the last few drops of sperm from his limp cock, and then rolled over on her back.

ORGASM

Peter then went back to doing what he loved best. He pushed his tongue into her cunt hole and sucked out as much juice as he could, and over and over again she had an orgasm, and each orgasm sent another spurting torrent of hot creamy cunt juice deep into his mouth.

After that they rested for a little while, and they talked about sex and fucking and what sperm and love juice tasted like, and then Sandra asked him what time it was, as she had to be getting home.

Peter didn't seem to hear her.

"I asked what time it was," she repeated.

"It's pussy licking time," smiled Peter, and once more he shoved his flickering tongue deep into her juice filled quim hole and started to suck out pints of her creamy cunt juice. As far as he was concerned, it was always pussy licking time.

MR. WHITE

Continued from page 46

It was at this precise juncture in her recollections, coming as they did in an overwhelming flood as devastating as the seminal emission which formed their subject, that Penny was jerked from her reverie by the voice of the man in the fawn coat. Who can tell the influence which such coincidences of inner and outward experience have on the development of an attachment? Certainly the young blonde had noticed the man before – Sandra herself had occasionally remarked on his attractions to the female of the species – but it was this moment when she was supremely aroused by prolonged evocation of her exlover that he chose to look into her eyes for the first time, and she felt herself melt inside. Was it because his eyes were that same shade of hazel which she would always associate with the boy who had disappeared from her life on successfully completing his studies? Mr. E. G. White had, as it happened, no other physical presence put her agitated nerves into a state of ecstasy, and when she had dealt with collecting the fine as coolly as she could, she made sure that Daphne, the housewife who was also at the desk, was able to hold the fort for a few minutes, and then trotted off to the loo, where she pulled down her panties and masturbated in an absolute frenzy of lust.

Since Tony had walked out of her life she had had other boyfriends, of necessity as well as through inclination (for he had created a need in her for regular and full satisfaction) but over the last week or so her current relationship with a married man had taken a turn for the worse, and it was now several days since anything like a proper orgasm had swept over her. So as soon as the cubicle door was locked behind her, it was down with those pretty knickers, already damp from her randy recollections, and up with a couple of the cleverest, most dextrous fingers in town. Penny liked to take as much time over masturbating as she did with intercourse, but in the circumstances, only the most direct approach would suffice, and the young blonde took her own breath away with the sheer force of her arousal. It was almost as if she were watching someone else frigging themselves to completion, almost shocked at the lewdness of her attack, her hands seeming to act of their own accord. Not only were the two fingers flailing away inside the mouth of her slippery sheath – the thumb of the same hand had managed to trap the wrinkled clitoris in its crook, and was rapidly threshing the organ with every spasmodic jerk of the digits inside her.

To stand there with her panties round her ankles and frig herself at top speed while she closed her eyes and opened her mouth in the extremities of lust – all this was an explosion of passion which she hadn't known since the peak of her relationship with Tony, and to imagine his prick gouging into her as it had done to so great an effect and so many times, hammering away at her crotch like some powerful machine which had got out of control, was to send her clear off the deep end, shuddering in an absolute spasm of ecstasy as the tidal wave of orgasm break over her pretty head.

As Penny crossed their thighs convulsively over her wrist, she climaxed like an express train, and it was lucky indeed that no other staff were in the loo at that moment, for there was no way that the young librarian could ever have disguised the smallest portion of her loud and moaning song, nor lessened its voice in the slightest degree. She almost fell against the cubicle door as the helpless tremors wracked her writhing form, and in a state of near-panic she managed to slump onto the loo seat, breathing hard and fast and thinking of the man in the fawn raincoat. She was convinced that it had been his look which had actually made her run off to masturbate, and all the long while she was sitting and recovering from her astonishing orgasm, the memory of his face remained with her. If only she could seduce him as easily as she'd seduced Tony! If only she could find some way of getting him on his own, she knew she would be more than capable of getting him to bed, whatever his marital status, whether he was happy with his current partner or not. The thought that he might not be amenable to her succulent charms never entered her head for one moment..

It was a week or so later. Nothing had happened to improve the state of our heroine's relationship with the married man – indeed, they had parted the previous evening with only a kiss, and without making a firm date for the future. Penny's state of mind had undergone a gradual change since the man in the fawn raincoat had last been in to the library, and she now looked forward to his next visit with an avidity and an eagerness which she hadn't felt since the daysqhen she'd waited outside the boys grammar school for Tony to emerge. But when the moment finally arrived, she almost found herself unprepared, she'd worked herself up into such a state about it. She boushed to the roots of her hair and gathered a bundle of returned books to put them back in the shelves, leaving Daphne in charge of the desk.

It hadn't been the man's entrance which had sent Penny into such a panic – he came in quite as usual, without looking anywhere in particular – it was the remembrance of the effect his look had had on her the previous week. If she should happen to catch his eye again, she was convinced it would send her into a paroxysm of lust, and in her confusion she would inevitably destroy any chance of being taken seriously by him. So she went to the History of Economics section, well away from the desk, and busied herself with a task which could have been done at any time earlier in the afternoon. As it happened it was a clear day,

"IT SEEMED THE MOST NATURAL THING TO UNBUTTON HER BLOUSE AND SLIP A HAND ON HER BOSOM..."

and the stranger in the fawn raincoat was the only member of the public in the place. So when she heard firm, obviously male steps approach that very part of the library she had chosen to hide, her heart beat twice as fast and her mouth dried. She would have to continue filling the shelves, not daring to trust herself in his presence. All she had to do was to keep calm and wait for his next visit, by which time...

"Excuse me," came his low voice at her shoulder. "I was wondering if you had anything on the Napoleonic Wars?"

Penny practically dropped the bundle of books she was clutching to her stomach, but then she remembered that a volume on the subject lay near the bottom of the pile. In the end she put down the pile beside her feet on the floor, giving the man a charming view of her panties in the process – for she was wearing a short skirt today – and rapidly extracted the book for her perusal. And it was only when she straightened up again, still not daring to cast her eyes on his face, that she noticed what a tent-on he was sporting. There was no mistaking it: Mr. E. G. White was hot for her! Only then did she glance up and see the same expression in his eyes, those eyes that made her so randy, and once more she melted all over. Mr. White wasn't looking at the book on Napoleon, he was looking at her chest, and it seemed the most natural thing in the world for him to unbutton the front of her blouse and slip a cool firm hand into her bosom, fingering the rubbery nipples and screwing her nerves up to a fever pitch of expectation.

"I want to fuck you," the man continued in a clear murmur. "I won't come inside you if you like, but I'm going to make you touch your toes and take it from behind. Don't worry – the woman at the desk wears stillettos, and we'll hear her in plenty of time, and you know how the front door squeaks!"

As if in a dream Penny found herself submitting to the firm pressure of his hands as he arranged her limbs, and the realisation that he'd actually *planned* this made her weak with lust, unable to speak a word. She put her hands on a shelf at the level of her chest, bending forward and thrusting out her bottom as Mr. White's fingers tugged down the waistband of her panties and pulled them to her ankles. With her feet slightly apart the blonde caught her breath and awaited the thrust of his cock. Soon she felt her bottom cheeks being eased apart, then one probing finger speared her cunt, wriggled around for a while and disappeared, to be replaced by the hard hot head of a king-size erection. Penny nearly swooned to feel the strong poke of the man's knob-head splitting her lips as it homed in on her sheath, and when it was all the way in, she realised that it must be the biggest she had ever taken in her life.

As for the man in the fawn raincoat, the tight wet grip of her young pussy on his member must have had a similar effect on his responses, for no sooner had he started a gentle, easy thrusting motion than he stuttered to a halt and grabbed the girl's hanging teats from behind as his sperm vomitted high inside her, making the entire sheath jerk up and down in time with the violent recoiling of his cock. For her part, Penny found herself supremely grateful that her new friend hadn't been able to go all the way, since she well knew that her orgasm would have made the whole library echo, and was content to have been brought so close to the brink without blowing everything. And as soon as the man had reclaimed his property and tucked it away, and Penny had thrust a wad of paper tissues into the crotch of her panties and pulled them back up to her cleft pussy, they made a whispered promise to meet later that evening, where time and space would afford them room to relax in each other's arms. Mr. White went back to the desk, and Penny went back to replacing the books, her pussy full of his spunk, her heart singing once more.

SEX SALESMAN

Dear Editor,

"Good Morning Madame" said this man at the front door of my house. "I represent Bettersex Ltd., of London, would you like to take a look at my samples.?"

"Samples of what?" I asked, letting him in. He was tall and dishy and blonde, dressed in a grey suit and blue shirt with a dark tie. He had shiny black shoes and looked very clean. From my part, I was wearing a cotton nightie down to mid thighs, white knickers and bare thighs and legs all the way down to my mules. I had just showered and made my face up and mussed up my hair and knew I was looking attractive and sexy. My husband had gone off to work an hour before and he hadn't fucked my before we dropped off to sleep just after midnight. The man followed me into the living room and, sitting on my settee with his sample case on the floor he undid the clasp and the lid sprang up. Inside were rows of plastic vibrators and two rubber ones with faces on them. A packet of coloured French letters and some tubes of erection cream, and creams for girls' cunts. In the lid were brochures of underwear for men and women. Between his legs I could see the outline of the crotch of his briefs and inside them, was the sample I would most like to be seeing at that moment. My husband has a prick of only five inches when stiff and I did not find that out until our wedding night because he had always said no to sex before we got married. I knew why when that first night came along and he undressed in front of me! I told this salesman about my husband's prick problem and he held up a prick extender, giving about two more inches to any man's stiff cock.

"I am seven inches, Madame" he remarked "but when I wear this I send all the birds with a nine inch dong."

"But a man can't spunk into a girl wearing an extension" I argued.

"What's in a spurt of spunk?" he smiled. "It's the feel of a long thick dong up your hole that counts, surely?"

I felt I had to agree with him. After all he was the sexpert.

He sold me a packet of tickler French letters, two clitoris rings with clit agitators on the ends of them and some with them down the full lengths of the prick balloons as well.

"Make nice sexy Christmas decorations as well'" he added chattily. "Simply wash and powder them blow them up, fasten them and hang up on the Christmas tree. My mother-in-law saw them on my wife's christmas tree last year and thought them a great novelty. And if you happen to get a girl at your party who isn't on the Pill – how very nice to be able to give her a present off the Christmas tree so that she can have a fuck with the fellow from next door who had gotten stiff for her!"

He also sold me a ten inch vibrator to use when my husband was away. He showed me a large and long rubber dong that he said my husband could strap onto his hips and shove his prick into. And fuck me with. Or he said he had a hand dong with a bulb for squirting warm milk or water into my minge to imitate live male spunk. I bought one of them as well.

"And now Mr. Salesman" I smiled, "Before you go, lets see what a sex salesman's prick looks like. So this gent stood up, let down his trousers, took down his briefs and showed me his own personal merchandise. Seven inches, give a day here or there it was with bollocks to match, with golden hairs all over. I could actually see his round bollocks moving round inside the hairy bag.

"I'll give you a free sample pair of drawers and matching bra" he said "If you will let me fuck you arsewards over the arm of that chair?"

I let him do so and he empitied his spunk into me. Pulling his briefs and trousers up again, he waited for me to write him out a cheque for the goods I had purchased from him. Finally dressed, he did up his case and with his dong still a bit conspicuous inside his pants and tight trousers he left. Good idea I said to myself, this travelling sex salesman gimmick. Hope it takes on, I went on to myself. Then, looking out of the window of my lounge I saw him knocking on the door of the house opposite. My bosom friend Gertie lived there. I began to feel jealous. I'll ring her up, I though, and get her on a long conversation. I don't want that dishy salesman getting up her as well!

SEX AUTHORESS

Dear Editor,

I am a young hopeful girl author of twenty two and I have been told that one of the quickest ways to succeed as an authoress today is to write a hot sex book! Since one can use such words in print now as fuck and prick and cunt and so on there are no literary holds barred. So I am now engaged in a sex saga called Milly and Her Merry Men! The book really concentrates on this girl Milly (me, actually, for I'm a real kinky girl) and her various adventures with young men from seventeen to thirty. The men in her book vary from young and attractive transvestires to honest to goodness burly, masculine fellows who think in terms of fucking all day and all night. Milly sets her self up as a psychologist in a small office and consulting room near Harley Street in London with a young bird of seventeen as her Secretary. The secretary, among her duties of filing and bookeeping and making appointments is required from time to time to sit-in on various sex analysis sessions Milly has with her men 'patients'. Of course psychological practice is really Milly's excuse to have as much kinky sex with fellows that she can, plus to make a lot of money out of them for the privilige of analysing them. The analysis on her consultant's couch is not merely verbal of course. It's practical as well as theory! Milly has male clients who are compulsive wankers all of them. Or who are into cunt sucking as a substitute for fucking. And men who can only screw a girl successfully in the whellbarrow position. And men who want their wives to take it up rearwards, up the cunt, that is, and the wives object, so Milly tries to teach the how best to make the rear position so attractive and compelling that the wives must eventually give in and start to like it that way. As well as a large fee from each client, and her 'patients' come to see her much more than once, Milly, in my book also gets fucked, sucked, poked and probed on her consulting couch every day. Her young secretary often has to go to the consulting room to watch men fuck Milly, men who are unable to get a horn on or to fuck unless there is a girl watching them on the job. Milly in the book often also gets men 'patients' who are into being wanked by two girls at one and the same time. I do hope my very first book is a success! I have a literary agent who, when he is not fucking me in his office, is correcting my manuscript for me and encouraging me to go on writing. He tells me I be the most successful female author of sex books ever, if I persevere! Here's hoping, anyway!

Mary S. South Kensington, London.

SEX AND THE SADDLE

Dear Editor,

Is it a fact that men and lads when they are horse riding often if not always, get horns on with the up-and-down movement of their balls and pricks on the leather harness on the horse? And that girls invaribly get gaping cunts and have orgasms most of the time when riding? I am considering taking riding lessons at a nearby stables. I am not exactly frustrated, but I am very keen on masturbation and every night at bedtime I either fuck myself with my fingers or with a vibrator, even with a tampon. I am pretty sure my sensitive and very responsive cunt and clit would get excited as soon as I felt it rubbing up and down over the tight breeches I would wear on horseback. I have visited those stables

ATTENTION!!! ALL STRIP-TEASE FANS

Special Film Review

Striptease fans are in for a real treat at their local cinema with TWO GREAT films that feature a variety of strip and sex entertainment acts:

1) QUEEN OF THE BLUES
A brand new adult movie that is set in a sex entertainment club. This superb film features a really 'blue' comic who introduces the 'blue' acts at the Queen of the Blues Strip club. The story of the film is funny as well as exciting, but it features TWELVE superb strip and duo acts; including a unique two girl act from Scandinavia and a fire-eating stripper! 'Queen of the Blues' Stars Mary Millington, Rosemarie England and a host of top sex stars. It's now on a very restricted release around the country, as well as showing at the CENTA CINEMA, Piccadilly, (nr Piccadilly Circus), LONDON with 'Massage Girls in Bangkok'

2) COME PLAY WITH ME
The pictures appearing here come from 'Come Play With Me'. This film is now the 'Mousetrap' of the sex business. It's the longest running British film, at one cinema, OF ALL TIME. It deserves the support of all readers of this magazine, as it shows the authorities just how popular sex comedies are! The film made Mary Millington a star and many of the girls who appear in the film have done extremely well for themselves since – appearing on TV shows like BENNY HILL, 3-2-1, The Dawson Watch... as well as becoming page 3 girls in the Sun. 'Come Play With Me' is extremely funny, and features several really erotic striptease and sex rave up sequences.

Come Play With Me is showing with 'Emanuelle Meets the Wife Swappers' as part of a great FOUR HOUR sex double 'X' bill at the Moulin, Gt. Windmill St. Soho, showing 7 days a week from 11.00am daily (late show nightly at 11.00pm) and look out for this great double bill at selected cinemas all over the UK.

and I must say I have looked at the young men as they dismount after a ride and I have noticed more than once a large bulge in the men's trousers as they got down. I am convinced I have been looking at the shapes of stiff pricks under thier breeches as a result of them having been moving up and down on their mounts. After all, I do know that lads after they have got off their motorcycles do have horns on due to the strong vibrations of their motorbikes between their thighs. And I know girls who get orgasms sitting behind the blokes driving the bikes. Personally, I would just love to be able to ride a horse wearing just a short dress or skirt, bare legs and a pair of tight drawers. I'm sure the friction caused by the leather harness would be really quite exquisite but I suppose it would be very wrong to subject bare legs to the rubbing against the flanks of a horse and against the leather of a saddle. I often fantasise I am watching a young man on horse back, completely naked, and his prick is on full horn as he rides up and down on the saddle, and suddenly I see his milky spunk shooting out of his knob all over the saddle, a boy I know pretty well swears he always comes inside his underwear and his riding breeeches when he goes on horseback. I wonder how jockeys fare in horse racing? But they always appear to be sort of standing up in the stirrups don't they, and their crutches never contact the horses and therefore their pricks and balls never get any friction. When I do start horse riding in earnest, I will write to you and let you know how it effects me sexually. In the meantime, how about some letters from boys and girls who are horse riding at the moment, telling us of the real sexy experiences they have while mounted?

TIGHT FANNIES

Dear editor,

How much longer have we to put up with those nauseating open crotch shots of your girls. Enough is enough, admitted when they first posed for you I was one of the most avid of readers, but now I think that you are showing them far too much, some of the girls have beautiful little fanies nice, clean and pink with just a hint of a pair of hanging lips, whilst others have what can only be described as a mass of black raw meat hanging down which should by all accounts make them walk bowlegged, how any man can say that he likes to kiss and lick one of those out is beyond me, I would be sick at the first glimpse let alone let my mouth linger on it, surely they must pong too.

Mind you, it is the same with some of the men, some have dainty little dongers which most girls would like to hold and perhaps even suck, whilst others have what can only be described as curved scimitars of thick black meat, with a foreskin which can only be described as a half a pound of tripe, no wonder some girls baulk when faced with a thing like that a few inches from her face, especially if she

only has a small mouth.

No wonder that some girls go for Jewish men, a nice clean shiny knob to suck at, more like a lollipop than anything else, and it seems more like a status symbol than a knob. I remember in my young and innocent youth how a fanny like one of those I have mention above almost put me off women for ever, up to then I had only fingered tiny little cracks and budding young tits just after leaving school, or was it before? However, I was on holiday with a friend of mine, we were 18 and proud of it, the world was our oyster and we both thought that being by the seaside meant that all the girls after taking one look at us in our new swimming trunks would all fall over with open legs.

It didn't quite work out like that, we had been there a few days and the only thing that had wrapped itself around my aching tool was my own hand and who likes to wank on strange sheets, I was getting desperate as I felt that there must be something wrong with me, up to now I had only spoken to three girls, one might have been more than willing but after she had told me she was only here for the school hols. I let it go, my friend wasn't so fussy for he had gone off arm in arm with a kid who would look better in a gymslip.

Afterwards he told me that she had been fantastic, "She took one look at my tool and almost fainted," he bragged, "and then she couldn't get enough of it, she sucked at it until I came in her mouth and after she had spat it out she got me hard enough to climb on top of it and then her fanny sucked all my juice out again," I was dead jealous I can tell you, but at the back of my mind I thought that he might have been lying, it still gave me a hard on just thinking about it, true or not.

It was then I met her, she must have taken pity on me after seeing me sitting there in the shelter by the seafront, I was deep in thought when I heard this sweet voice saying, "Do you mind if I sit in here, or is it private?", I looked up to find the most ravishing girl staring down at me, my mouth dropped open, surely those were false tits that jutted from her tight blouse, my eyes travelled downwards past slim ankles to tiny feet, she was a beauty and she had actually spoken to me of her own free will, my chest came out a few more inches and I said in a strangled voice, "Sit her by all means it will be a change to talk to someone more sensible than the girls who run around the seafront, they make me sick with all their giggling, pershap it must be that I am too old for most of them," she smiled at this.

"You must never say that you are too old for any girl, that kind of talk is defeatist, look at me, I'm much older than you are and yet I prefer your company to that of the town's middle aged wolves, you have no idea how hard it is for a woman to find someone to talk to who hasn't got designs on her body."

She must have been laughing up her non-existent sleeve at the time for at the first sight of her tits I had got a terrific hardon and being in trunks it showed, but after she had taken one long hard lbok at the bulge in the material she had ganced away and ignored it, she was a bit older than I was and had seen moe of the world and I sat and listened enthralled as she told me of her stay in France and Belgium, she had been to Italy too, but she said quietly, "I much prefer England, the men might be womanisers but at least they are gentlemen," and again I swelled with pride, for she was looking at me when she said it, so I took it that I came into that category.

SHORT CUT TO
SEXUAL PLEASURE!

Two different sex aids for every female, at a very special price.

SEXY LOVE EGGS
The Orient's favourite sex turn-on consists of two light balls with heavier balls inside and joined with twine. Geisha girls still insert them in their vagina to become sexually excited before performing their love arts. We call them *love eggs* and their popularity is world-wide.

RUBBER VIBRO
Today's advancement in technology and electronics has had its effect, even on sex. The best example of this being the vibrator. The best vibrator is the *soft bendable* type. Comfortable for the female because, unlike the solid version, it gives with the ecstasy of the orgasm.

BIG CUTS TO PLEASURE
Because of bulk purchases we now have vast stocks of both and are passing the savings on to you.

The rest of the day went by in a dream, we met again after we had both gone to eat, me to my digs and she back to her flat.

The friend I had gone with looked at me with distrust when I said that I had a date with an older girl, he grinned a little sneeringly, "Watch what you are doing, she will suck you in and blow you out in bubbles," but I could see that he was annoyed, the girl he had been with all day had told him that she had to be in bed by 10, alone of course. I put on my best suit and made sure that I had all my money with me, who knows we might want to have a drink somewhere and I would feel a fool if I couldn't pay.

I stood and looked at her as she waited for me under the clock tower, I wasn't late so it meant that she was as keen as I was, and again I felt a stirring under my pants, she smiled as she tucked her arm through mine as though we were an old married couple, I felt 10 feel tall as I passed my friend on his lonely way to the local disco, and I could almost feel the daggers he threw at me as we sauntered past.

She had a couple of sherries whilst I for the first time in my life had 3 pints of lager but I didn't feel drunk, I had heard tales of Brewers droop and I didn't want to disgrace myself by failing at the first attempt, I even went so far as to diving into the nearest gents to find out if I could raise a hardon, raise one, I almost came into my hand just thinking what might happen later on.

"Let us pop into my place for a while" she said at last after she had listened to my tall tales of what I was doing at work, for an Apprentice Engineer whose sole duties lay in making the tea I suddenly found that I was the most brilliant of men, in my eyes of course, she must have pissed herself just listening to me, for the first place she went into when she had closed the door behind us was the toilet, I wanted to go too and after she had finished whatever she had been doing I unleashed about 2 pints of lager down her well, and then I felt better, my pants were stretching again and I felt that this coming into her flat whilst her friend was out meant only one thing, she fancied me. The couch was big and comfortable as we sat down and I tried my hand at putting my arm around her, it worked for she snuggled even closer and then to my delight I felt her hand on my thigh, she must have heard the clothe stretching for looking me straight in the eye she put her hand squarely on the hard lump that showed through. "Does this mean that you fancy me?" she asked as her fingers closed over the width.

Fancy her? In my mind I was already

fucking her and I slid lower down in the seat as I felt her fingers unfastening my belt, she knew what she was doing alright for it seemed as though I had only given one gasp and I was out and in her hand, and the knob of my tool was all red and shiny this pleased her so much that she lowered her head and took it in her mouth but she made sure that I wasn't going to overspill by gripping the base firmly as she sucked at me but in spite of that I could feel myself getting ready to come, "I'm coming," I gasped out as I felt my knob begin to jerk, but she stopped that quickly by taking her mouth away, "You don't mind me doing that?" she asked as her fingers began to slide up and down the length, fingers much smoother than mine and again I felt as though it was going to be all over without me even touching her, I was in a quandary, how could I touch her lying back like this, was I going to have to go back to the digs with only having a wank, she solved my dillema by getting to her feat, "We would be much more comfortable without all these clothes," she said and disappeared into her bedroom, I was naked before the door closed behind her and I looked down at the mss of me jutting out, "Tonight's the night," I bragged as I hefted him in my hand and at that moment she came back into the room, she wasn't naked but next door to it, all she had on was a dressing gown and when it swung open all I saw was her skin, those tits were real alright, they jiggled as she walked towards me and all I could see down below was a darkish coloured bush of hair, I meant to part that later on that evening.

She had a large hankie in her hand and as she stooped in front of me she grinned, "Lets get rid of the surplus first, you must be in agony already," and with that she wrapped the hankie around my tool and her fingers moved swiftly, I came into that hankie as I had never come before, in fact some of it dripped down onto the carpet, she quickly wiped it up, "Destroy the evidence," she smiled, "Now you can do what you want without any more trouble," she was right too, I found that even though I still had a hardon it didn't hurt any more and from then on she was all mine, all except between her legs, she let me suck her tits, roll my tool between them, and at that time she was licking the end off so gently that I felt I could come at any time I chose, I was in heaven, "What a tale to tell my friend when I get back," I thought.

I knew that he would never believe me but who cared, I could wank over these memories for many months to come, she looked up at me, "Is that nice?", she asked and all I could do was gulp, her nipples were now standing like cherries and she seemed to like to have me roll them between my fingers and as I had heard and read in books that once a girl's nipples get hard and her breathing sounds harsh then she is ready for the old chopper, it seemed

BUY A SLICE OF DANISH HARD CORE PORN – ON FILM
For the first time in Britain, readers are offered REAL HARD CORE DANISH PORNO FILMS. All the films are high quality Super 8mm, they are a little on the expensive side, but you get what you pay for. It is impossible to make and sell genuine hard core films cheaply. You can't for instance buy champagne and caviar cheaply. The films feature, in excellent colour, every conceivable sex act – actual penetration/intercourse, ejaculations, mouth to penis oral sex, in fact the whole gamut of intimate sex acts. These films are sold for home entertainment purposes only and must not be shown publicly for gain – this is a legal requirement to allow us to actually sell these very hard core porn films.
All the films are made by Adventura Films of Denmark – a company with a reputation for the real thing. All the films are FULL 200' and run for approximately 15 minutes. All 14 films for £295, any 9 for £199, any 4 for £100, any 2 for £52 or £27 each. Choose, buy and watch all at your leisure – you'll be back again and again as we supply 100% Hard Core – be warned. READERS' LETTERS

Continued from page 87

as though all these tales were true, she was like that when she said, "Come into bed with me," and holding me by the chopper she led the way.

The dressing gown lay on the floor and she lay back and for the first time she opened her legs, and without looking I put my hand amongst the wet hairs, it felt just as though I had got hold of a pound of liver in my hand and I was startled, this was no dainty little crack, this was half her insides hanging out, "Kiss it" she begged, and heaving I bent my head, I gulped, what was that smell, it smelt as though all the fish in the sea had been dumped in there and died, many mouths before, I felt sick, so sick that I gathered up my clothes and hurriedly dressed I fled from that flat, I went home the next day without saying a word to my friend and it was some time before I dare to speak to another girl.

I have learnt better since of course, but think how many young men you will put off women if you keep on showing sights like that, it doesn't look so bad when she has her fingers opening it up, or a man's prick halfway in, but just to have it look like a butchers slab might spoil some young man's dream.

A lover of tight little fannies.
Bristol.

A GOOD FILM INVESTMENT!

Dear Editor,

At last, it seems, I had found a sure fire way of spending cash and time going to the West End to see X films without being disappointed! And now, to my great delight, I hear tell of yet another movie in which Mary Millington stars, a film called "Queen of the Blues". To me the title seems self explanatory. It is a film about a girl or girls who make blue films and it goes without saying Mary herself must be the "Queen" of the title! Yes, I confirmed all that with a film technician friend of mine who, it seemed, has so far worked on all Mary Millington's terrific sex films. He was in on "Queen of the Blues" and he told me it is by far the very best of her films to-date. It also stars a new girl, Rosemarie England, who, in this movie, makes a great impact. There is plenty of fun and bawdy laughter as well as very explicit sexy sequences, I am told. It may be a few weeks or a month or so before this exciting new movie is scheduled for its London premiere, but I personally will keep my eyes skinned for an announcement in the daily and evening London Press. I thought possibly you might like your readers to read this short letter of mine so that they, as devotees of Mary Millington, might also have advance notice of her impending new film and make it their business to go to see it eventually!

Mr. D.R. London, E.

QUEEN OF THE BLUES – is an out and out sex film, as a result it will only show at a few cinemas around Britain so we urge you to come to London to see it (where it is showing as part of a great sex DOUBLE BILL – with MASSAGE GIRLS IN BANGKOK) – showing from Thursday July 26th at the Centa Cinema, Piccadilly, (Piccadilly Circus End), London.

The very best of Scan Porn

Recent advances in printing techniques have made it possible to reproduce colour from just one original and we therefore no longer have to worry about containers getting into the UK from Europe. We can now give guaranteed delivery of Scandinavian porn. The first batch available is listed here. Buy with confidence and note the bulk buy reductions.

EVERY BOOK CONTAINS OVER 150 NEARLY ALL ACTION COLOUR PAGES!

Three beautiful girls seduce Danny—they bend, stroke, smack and suck his giant member till it overflows over their faces, then all three fight for the right to take his endless seed.

A new series of strong virile male action mags. Large format to highlight the action, superb colour and reproduction – and new models, many of whom are not professionals but have been caught unawares by a friend's camera.

GAY ACTION SPECIAL NO. 1 Packed cover to cover with a variety of men, from 18 – 22, who revel in showing off their grand penises. They have a nob size that will astound and delight. Young boys of 18 with a manhood that must be 14", more active men of 19 who jointly admire their size and play together, and those who have reached 21, consenting together to attain full mutual satisfaction. Erect men, but many who stand proud with their 10" are dwarfed by the true "king" sizes of several of the others. Camera close-ups zoom straight in on every member and none of the action is missed, so that the viewer is involved with a sense of fulfilment. This is truly an advanced publication, yet we are happy to offer it at the special price of £2.50 only.

GAY ACTION SPECIAL NO. 2 This magazine again features in the same candid provocative detail the same age groups as FRED, but there is all action throughout. Spunky indoor (bedroom) shots, and unsuspecting outdoor glimpses. The main point is the giant sizes of the organs, but when two young men lie together they get turned on looking and playing with each other, and naturally they seek greater fulfilment, contact and relief together. All this is clearly shown, but it shows how happy two men can be together and how completely satisfied they can be. Big boys throughout, and big value for money at the introductory price of £2.50.

DYNAMO NO. 3 Hardcore homo action from the United States showing exactly what united means. Words cannot adequately describe the sensitivity with which these photos were taken, you must have this in your collection. Worth more than double the £3.00 selling price.

THESE THREE BOOKS REALLY GO TOGETHER, HENCE WE ARE OFFERING THEM IN A SPECIAL TRIPLE PACKAGE – £7.00 FOR ALL THREE. Also 6 other HOMO books £10.00.
